Call Sign: E130040
File No.: SES-LIC-20130226-00210

Dear Mr. Jimenez:

On February 4, 2013, Univision Network Limited Partnership, (Univision) filed the above-captioned application for a fixed earth station license in Chicago, IL. For the reasons stated below, we dismiss the application as defective without prejudice to re-filing.¹

Section 25.112(a) of the Commission's rules, 47 C.F.R. § 25.112(a), requires the Commission to return as unacceptable for filing any earth station application that is not substantially complete, contains internal inconsistencies, or does not substantially comply with the Commission's rules. For the reasons stated below, Univision's application is inconsistent, incomplete or otherwise does not substantially comply with the Commission's rules.

- Univision did not provide a response to item E21 of Schedule B, which requires applicants to list the proposed points of communication. *See* 47 C.F.R. § 25.130 (a)(1).
- Univision Network did not provide a frequency coordination report as required by item E18 of Schedule B and Section 25.130 (b) of the Commission's rules, 47 C.F.R. § 25.130 (b).
- The U.S. allocation table does not have allocations for Fixed Satellite Service (space-to-Earth) transmissions throughout the 4020-6245 MHz frequency band. *See* 47 C.F.R. § 2.106.
- Univision Network did not request waiver of the U.S. allocation table as required by Section 25.130(a)(5) of the Commission's rules, 47 C.F.R. § 25.130(a)(5).

¹ If Univision Network Limited Partnership refiles an application identical to the one dismissed, with the exception of the corrected information, it need not pay an additional application fee. *See* 47 C.F.R. § 1.1111(d).

Accordingly, pursuant to Section 25.112(a)(1) of the Commission's rules, 47 C.F.R. §25.112(a)(1), and Section 0.261 of the Commission's rules, 47 C.F.R. §0.261, we dismiss the application without prejudice to re-filing.

Sincerely,
