The FCC will attempt to accommodate as many attendees as possible; however, admittance will be limited to seating availability. The Commission will provide audio and/or video coverage of the meeting over the Internet from the FCC's Web page at <http://www.fcc.gov/live>. Open captioning will be provided for this event, and a written transcript of the event will be posted in PS Docket 11-60. Other reasonable accommodations for people with disabilities are available upon request. Requests for such accommodations should be submitted via e-mail to fcc504@fcc.gov or by calling the Consumer & Governmental Affairs Bureau at (202) 418-0530 (voice), (202) 418-0432 (tty). Such requests should include a detailed description of the accommodation needed. In addition, please include a way the FCC can contact you if it needs more information. Please submit any such requests for accommodations as soon as possible; last-minute requests will be accepted, but may be impossible to fill.

We also take this opportunity to remind the public that presentations to decision-making personnel—including those that address network reliability and resiliency in the wake of Superstorm Sandy—that go to the merits or outcome of the Commission's pending permit-but-disclose proceeding in PS Docket 11-60 regarding network reliability and resiliency, *see Reliability and Continuity of Communications Networks, Including Broadband Technologies*, Notice of Inquiry, 26 FCC Rcd 5614 (2011), must comply with the Commission's *ex parte* rules, *see, e.g.*, 47 C.F.R. § 1.1200 *et seq.* Interested parties are also invited to submit written comments in this public docket.

For additional information about the meeting, please contact Gene Fullano, Associate Bureau Chief, Public Safety and Homeland Security Bureau, at (202) 418-0492 or genaro.fullano@fcc.gov.
