**NOTICE OF APPARENT  
LIABILITY FOR FORFEITURE**

**Adopted: June 20, 2013**

**Released: June 21, 2013**

By the Chief, Video Division, Media Bureau:

**I. INTRODUCTION:**

1. In this *Notice of Apparent Liability for Forfeiture* (“NAL”) issued pursuant to Section 503(b) of the Communications Act of 1934, as amended (the “Act”), and Section 1.80 of the Commission’s Rules (the “Rules”),<sup>1</sup> we find that First Media Radio, LLC (the “Licensee”), licensee of Station WNVN-LP, Roanoke Rapids, North Carolina (the “Station”), apparently willfully and/or repeatedly violated (i) Section 73.3526(e)(11)(ii) by failing to place in the station’s public inspection file all required records concerning its compliance with children’s programming commercial limits and (ii) Section 73.3526(e)(11)(iii) of the Rules by failing to file timely with the Commission the Station’s Children’s Television Programming Reports.<sup>2</sup> Based upon our review of the facts and circumstances before us, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of six thousand dollars (\$6,000).

**II. BACKGROUND:**

2. Section 73.3526 of the Rules requires each commercial broadcast licensee to maintain a public inspection file containing specific types of information related to station operations.<sup>3</sup> As set forth in subsection 73.3526(e)(11)(ii), each Class A television licensee must prepare and place in its public inspection file records sufficient to permit substantiation of the station’s certification, in its license renewal application, of compliance with the commercial limits on children’s programming established in Section 73.670 of the Commission’s Rules. As set forth in subsection 73.3526(e)(11)(iii), each Class A television licensee is required to prepare and place in its public inspection file a Children’s Television Programming Report (FCC Form 398) for each calendar quarter reflecting, *inter alia*, the efforts that it made during that quarter to serve the educational and informational needs of children. That subsection also requires licensees to file the reports with the Commission and to publicize the existence and location of the reports.

3. On August 2, 2012, the Licensee filed its license renewal application (FCC Form 303-S) for Station WNVN-LP (the “Application”).<sup>4</sup> The Licensee filed an amended application on May 17, 2013

and a second amended application on June 14, 2013. In response to Section IV, Questions 3 and 6, the Licensee submitted an exhibit admitting that it had failed to file timely with the Commission the Station's Children's Television Programming Reports for the third and fourth quarters of 2009 and the first quarter of 2010.<sup>5</sup> The Licensee further admitted that it had failed to file timely children's television commercial limits certifications for the third and fourth quarters of 2009 and the first quarter of 2010.

### III. DISCUSSION

4. The Licensee's failure to file timely children's television commercial limits certifications for three quarters constitutes an apparent willful and/or repeated violation of Section 73.3526(e)(11)(ii) of the Commission's Rules. The Licensee's failure to file with the Commission in a timely manner its Children's Television Programming Reports for three quarters constitutes an apparent willful and/or repeated violation of Section 73.3526(e)(11)(iii).

5. This *NAL* is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, any person who is determined by the Commission to have willfully and/or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.<sup>6</sup> Section 312(f)(1) of the Act defines willful as "the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate" the law.<sup>7</sup> The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,<sup>8</sup> and the Commission has so interpreted the term in the Section 503(b) context.<sup>9</sup> Section 312(f)(2) of the Act provides that "[t]he term 'repeated,' when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day."<sup>10</sup>

6. The Commission's *Forfeiture Policy Statement* and Section 1.80(b)(4) of the Rules establish a base forfeiture amount of \$3,000 for failure to file a required form.<sup>11</sup> In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in Section 503(b)(2)(D) of the Act, including "the nature, circumstances, extent and gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require."<sup>12</sup> In this case, the Licensee failed to file its children's television commercial limits certifications in a timely manner for three quarters, making the Licensee liable for a \$3,000 forfeiture. The Licensee further failed to file its Children's Television Programming Reports in a timely manner for three quarters, making the Licensee liable for an additional \$3,000 forfeiture. We therefore conclude that the Station is apparently liable for a total \$6,000 forfeiture

<sup>5</sup> Four of the reports were filed within five days after the quarterly deadline. We would be inclined to excuse these late filings as de minimis absent the additional late filings, which include 3 reports that were filed more than 30 days late.
