** The names assigned to the bidding areas listed in the Attachment A files have been changed since the release of the Auction 902 Comment Public Notice in order to conform to the requirements of the FCC Auction System. A crosswalk between the names used in these Attachment A files and the names used in the Auction 902 Comment Public Notice will be provided on the Commission website.

* Indicates an item with one or more census blocks that were the subject of a winning bid in Auction 901. Any census block for which support is authorized at the conclusion of the Auction 901 long-form application review will not be eligible for Tribal Mobility Fund Phase I support. If the Bureaus determine prior to Auction 902 that any winning bids from Auction 901 cannot be authorized, and any of those bids cover census blocks that would otherwise be eligible for Auction 902, then such eligible blocks will be available in the auction.
