DOMESTIC SECTION 214 AUTHORIZATION GRANTED

Domestic Section 214 Application Filed for the Transfer of Control of AccessLine Communications Corp. from Telanetix, Inc. to Intermedia Holdings, Inc.

WC Docket No. 13-45

On February 15, 2013, AccessLine Communications Corp. (AccessLine), Telanetix, Inc. (Telanetix), and Intermedia Holdings, Inc. (Intermedia) (collectively, Applicants) filed an application, pursuant to section 63.03 of the Commission's rules,¹ to transfer control of AccessLine from Telanetix to Intermedia.

On March 14, 2013, the Bureau released a public notice accepting the application for streamlined processing.² On March 27, 2013, the Department of Justice, including the Federal Bureau of Investigation, with the concurrence of the Department of Homeland Security (collectively, the Executive Branch Agencies), filed a letter requesting that the Commission defer action on this application while they reviewed potential national security, law enforcement, and public safety issues.³ In response to the request, the Bureau removed the application from streamlined review.⁴ On August 19, 2013, the Executive Branch Agencies withdrew their request to defer action, stating that they have no objection to the application.⁵

¹ 47 C.F.R. § 63.03; *see* 47 U.S.C. § 214. On March 29, 2013, the Wireline Competition Bureau (Bureau) granted an application filed by Telanetix, AccessLine, and HCP-TELA, LLC for a July 2, 2010 unauthorized transfer control of Telanetix and AccessLine to HCPT-TELA, LLC. *Notice of Domestic Section 214 Authorization Granted*, WC Docket No. 13-41, Public Notice, 28 FCC Rcd 3405 (Wireline Comp. Bur. 2013). A grant of the application in WC Docket No. 13-41 or the instant application is without prejudice to any enforcement action by the Commission for non-compliance with the Communications Act of 1934, as amended, or the Commission rules.

² *Domestic Section 214 Application Filed for the Transfer of Control of AccessLine Communications Corp. from Telanetix, Inc. to Intermedia Holdings, Inc.*, WC Docket 13-45, Public Notice, 28 FCC Rcd 2536 (Wireline Comp. Bur. 2013).

³ Letter from Mark G. McConnell, U.S. Department of Justice, to Marlene H. Dortch, FCC, WC Docket No. 13-45 (filed Mar. 27, 2013).

⁴ *Notice of Removal of Domestic Section 214 Application from Streamlined Treatment*, WC Docket No. 13-45, Public Notice, 28 FCC Rcd 4381 (Wireline Comp. Bur. 2013).

⁵ Letter from Kristin Taylor, U.S. Department of Justice, to Marlene H. Dortch, FCC, WC Docket No. 13-45 (filed Aug. 19, 2013).

The Bureau finds, upon consideration of the record, that grant of the application will serve the public interest, convenience, and necessity. Upon consummation of the transaction, the resulting entity would have a market share in the U.S. interstate interexchange market of less than 10 percent and would provide competitive telephone exchange services or exchange access services (if at all) exclusively in geographic areas served by a dominant local exchange carrier that is not a party to the transaction. In addition, the Applicants are not dominant with respect to any domestic service.⁶

Consistent with Commission precedent, the Bureau accords the appropriate level of deference to the Executive Branch Agencies' expertise on national security and law enforcement issues.⁷ Therefore, pursuant to section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 0.291 of the Commission's rules, 47 C.F.R. § 0.291, the Bureau hereby grants the application discussed in this Public Notice.

Pursuant to section 1.103 of the Commission's rules, 47 C.F.R. § 1.103, the grant is effective upon release of this Public Notice. Petitions for reconsideration under section 1.106 or applications for review under section 1.115 of the Commission's rules, 47 C.F.R. §§ 1.106, 1.115, may be filed within 30 days of the date of this Public Notice.

For further information, please contact Dennis Johnson at (202) 418-0809, Competition Policy Division, Wireline Competition Bureau.

⁶ 47 C.F.R. 63.03(b)(2)(i).

⁷ The Commission considers national security, law enforcement, foreign policy, and trade policy concerns when analyzing a transfer of control or assignment application in which foreign ownership is an issue. *See Amendment of the Commission's Regulatory Policies to Allow Non-U.S. Licensed Satellites Providing Domestic and International Service in the United States*, Report and Order, 12 FCC Rcd 24094, 24170-72, paras. 178-82 (1997); *Rules and Policies on Foreign Participation in the U.S. Telecommunications Market*, Report and Order and Order on Reconsideration, 12 FCC Rcd 23891, 23919-21, paras. 61-66 (1997) (*Foreign Participation Order*), Order on Reconsideration, 15 FCC Rcd 18158 (2000). In assessing the public interest, the Commission considers the record and accords the appropriate level of deference to Executive Branch expertise on national security and law enforcement issues. *See Foreign Participation Order*, 12 FCC Rcd at 23919-21, paras. 61-66.
