File No. 0004932992

ORDER ON RECONSIDERATION

Adopted: October 31, 2013

Released: October 31, 2013

By the Deputy Chief, Broadband Division, Wireless Telecommunications Bureau:

I. INTRODUCTION

1. In this Order on Reconsideration, we dismiss as untimely a petition for reconsideration filed by Oklahoma Community Television, LLC ("OKTV").

II. BACKGROUND

2. Station WQOS306 was used in connection with Station KOXK-LD, Enid, Oklahoma. On January 12, 2012, the Wireless Telecommunications Bureau ("Bureau") issued a license for Station WQOS306.

1 See Petition for Reconsideration (filed Sep. 24, 2013) (Petition).

2 When a licensee fails to file a notification that it has completed construction by an applicable buildout deadline, the license, location, or frequency is placed in "termination pending" status.

3 Petition.

4 File No. 0004932992 (granted Jan. 12, 2012). See also Wireless Telecommunications Bureau Site-By-Site Action, Report No. 7457, Public Notice (Jan. 18, 2012) at 18.

5 File No. 0004932992 (granted Jan. 12, 2012).

3. On August 21, 2013, letters and a public notice were issued announcing that Station WQOS306 had been placed in termination pending status for failure to meet the construction deadline.⁶ TVOK had thirty days from the date of the *Termination Public Notice* to file a petition for reconsideration demonstrating that the stations had been timely constructed.⁷ OKTV filed the Petition on September 24, 2013.⁸

III. DISCUSSION

4. Section 405(a) of the Act, as implemented by Section 1.106(f) of the Commission's Rules, requires that a petition for reconsideration be filed within thirty days from the date of public notice of Commission action.⁹ Computation of the thirty-day period is determined in accordance with Section 1.4 of the Commission's Rules.¹⁰ Since public notice that the licenses had been placed in termination pending status was given on August 21, 2011, pursuant to Section 1.4(b)(4) of the Commission's Rules, the first day to be counted in computing the thirty-day period was August 21, 2011, the date the public notice was released.¹¹ Therefore, the last day for filing a petition for reconsideration was September 20, 2013.

5. OKTV's petition for reconsideration was received on September 24, 2013. Therefore, we find the Petition was filed late. Moreover, the Commission has consistently held that it is without authority to extend or waive the statutory thirty-day filing period for filing petitions for reconsideration specified in Section 405(a) of the Communications Act.¹² Consequently, we conclude the petition for reconsideration filed by OKTV must be dismissed as untimely filed.

6. If TVOK wishes to continue operating the terminated facility, it must file a completed FCC Form 601, in accordance with all applicable Commission Rules, to reauthorize the facility. If the application meets the criteria specified in Section 74.25(c) of the Commission's Rules, TVOK may operate the facility conditionally as soon as the application has been properly filed.¹³ In the interim, TVOK should file a request for Special Temporary Authority, in accordance with Section 1.931 of the Commission's Rules, if it wishes to continue operating the facility.

No. 5640831 (Aug. 21, 2013); Wireless Telecommunications Bureau Site Based Licenses Termination Pending Public Notice, *Public Notice*, Report No. 8965 (Aug. 21, 2013) at 2 (*"Termination Public Notice"*). A letter was also sent to TVOK's designated contact representative, Marilyn Metheny.

IV. ORDERING CLAUSES

7. Accordingly, IT IS ORDERED that pursuant to Sections 4(i) and 405 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 154(i), 405, and Section 1.106 of the Commission's Rules, 47 C.F.R. § 1.106, the petition for reconsideration filed by Oklahoma Community Television, LLC on September 24, 2013 IS DISMISSED.

8. This action is taken under delegated authority pursuant to Sections 0.131 and 0.331 of the Commission's Rules, 47 C.F.R. §§ 0.131, 0.331.
