**PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ANNOUNCES  
REGION 38 (SOUTH DAKOTA) 700 MHZ PUBLIC SAFETY REGIONAL PLANNING  
COMMITTEE TO HOLD MEETING**

The Region 38 (South Dakota) 700 MHz Public Safety Regional Planning Committee (RPC) will hold its next meeting on Thursday, December 5, 2013, beginning at 9:00 a.m., at the Mickelson Public Safety Center, DCI Large Conference Room, 1302 E. Highway 14, Pierre, South Dakota. The purpose of the meeting is to initiate the public safety Region 38 planning process for General Use<sup>1</sup> spectrum in the 769-775/799-805 MHz band.

The agenda for the meeting includes:

- Introductions
- Record of attendance
- Introduction to Region 38 700 MHz planning: Presentation by the Region's consultant, ACD Telecom, LLC
- Open discussion on what is needed to develop the Region 38 700 MHz Plan
- Description of Planning Committee roles and duties
- Elect third member to the Planning Committee, and identify and assign members to subcommittees
- Review action items and schedule next meeting

The Region 38 700 MHz RPC meeting is open to the public. It is essential that public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal, and non-governmental organizations eligible under Section 90.523 of the Commission's rules, 47 C.F.R. § 90.523, be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in the planning for the use of public safety spectrum in the 700 MHz band within Region 38 should plan to attend. For further information, please contact:

---

<sup>1</sup> The General Use spectrum is administered by RPCs and is licensed for public safety services on a site-by-site basis in accordance with the relevant Commission-approved regional plan and frequency coordination.
