MEDIA BUREAU ANNOUNCES COMMENT AND REPLY COMMENT DEADLINES FOR THE NOTICE OF PROPOSED RULEMAKING CONSIDERING THE ELIMINATION OF THE UHF DISCOUNT

MB DOCKET NO. 13-236

Comment Deadline: December 16, 2013
Reply Comment Deadline: January 13, 2014

On September 26, 2013, the Commission released a Notice of Proposed Rulemaking in the matter of *Amendment of Section 73.3555(e) of the Commission's Rules, National Television Multiple Ownership Rule* ("NPRM").¹ In the NPRM, the Commission seeks comment on its tentative conclusion to eliminate the UHF discount, which appears to be obsolete due to the transition of full-power television stations to digital broadcasting in June 2009. The NPRM also seeks comment on the Commission's grandfathering proposal in the event that the UHF discount is eliminated, as well as on whether a VHF discount should be adopted as it appears that VHF channels may be technically inferior to UHF channels for digital television.² The Commission set deadlines for filing comments and reply comments at 30 and 60 days, respectively, after publication of the NPRM in the *Federal Register*.³

By this *Public Notice*, the Media Bureau announces that the NPRM was published in the *Federal Register* today, November 14, 2013.⁴ Comments must be submitted no later than December 16, 2013. Reply Comments must be submitted no later than January 13, 2014. Commenters should follow the filing instructions provided in paragraph 28 of the NPRM.⁵ The NPRM is also available on the Commission's website.⁶
