**STREAMLINED PLEADING CYCLE ESTABLISHED**

**WC Docket No. 13-279**

**Comment Date: December 6, 2013**

**Reply Comment Date: December 13, 2013**

On November 18, 2013, Dalton Telephone Company, Inc. (Dalton), Elsie Communications, Inc. (Elsie), Dalton Telecommunications, Inc. (DTI), Newcastle Holdings, Inc. (Newcastle), and USConnect Holdings Inc. (USConnect) and its subsidiary, USConnect Acquisitions IV, Inc. (USConnect Acquisitions), (collectively, Applicants) filed an application pursuant to section 63.03 of the Commission's rules<sup>1</sup> to transfer control of Dalton, Elsie, DTI, and Newcastle to USConnect and USConnect Acquisitions.

Dalton, a Nebraska corporation, provides incumbent local exchange carrier (LEC) services in five exchanges in southwestern Nebraska. It is a wholly owned subsidiary of Newcastle, a North Carolina corporation that is a wholly owned subsidiary of American Broadband Acquisition Corp. IV (ABAC IV), a Delaware corporation.<sup>2</sup> Elsie, a Nebraska corporation, is also a wholly owned subsidiary of Newcastle and provides incumbent LEC services in one exchange in southwestern Nebraska. DTI, a North Carolina corporation and wholly owned subsidiary of Newcastle, provides interstate services in and around the service areas of its affiliates, Dalton and Elsie.

USConnect, a Delaware corporation, was created to purchase and operate rural LECs. USConnect owns 100 percent of USConnect Acquisitions, a Delaware corporation formed for the purpose of acquiring the shares of ABAC IV. Applicants state that the following U.S.-based LECs will hold a ten

Any action on this domestic section 214 application is without prejudice to Commission action on other related, pending applications.

<sup>2</sup> On November 7, 2013, Dalton, Elsie, SKT Ventures, Inc., Dalton Holdings, Inc., and Newcastle filed a domestic section 214 application to correct errors in Newcastle's ownership information as originally reported to and approved by the Commission for a 2006 transaction involving the companies. Domestic Section 214 Application Filed for the Transfer of Control of Elsie Communications, Inc. and Dalton Telephone Company, Inc. to Newcastle Holdings, Inc., WC Docket No. 13-265, Public Notice, DA 13-2164 (rel. Nov. 12, 2013). The ownership errors resulted in an unauthorized transaction. On November 12, 2013, the Wireline Competition Bureau granted for a period of 60 days the companies' Applicants' request for special temporary authority for authorization to continue to provide service pending approval of the application in WC Docket No. 13-265.

percent or greater attributable interest in USConnect when the proposed transaction closes: Brazoria Telephone Company (serving Brazoria County, Texas), Dickey Rural Telephone Cooperative, Inc. (serving counties in North Dakota and South Dakota), FTC Management Group, Inc. (subsidiary of Farmers Telephone Cooperative, Inc. that serves counties in South Carolina), Golden West Telecommunications Cooperative, Inc. (serving counties in Nebraska, South Dakota, Wyoming), Horry Telephone Cooperative, Inc. (serving counties in South Carolina). Applicants state that each LEC will own 19.2857 percent of the preferred stock of US Connect and have a 17.357 percent voting interest in US Connect. They further state that the LECs are all organized as cooperatives in which no stockholder owns or votes as much as a one percent interest and that none of the service territories of the LECs adjoins or overlaps the service territory of Dalton or Elsie. Applicants state that, in addition to the preferred stock issued by US Connect, Leo Staurulakis and Manny Staurulakis, both U.S citizens, each own one-third of the common stock of US Connect and jointly own MLStar, LLC, a Virginia limited liability company that will own 3.6 percent of the preferred stock of USConnect. Neither individual owns any other telecommunications entities.<sup>3</sup>

ABAC IV, USConnect, and USConnect Acquisitions have entered into an Agreement and Plan of Merger whereby USConnect Acquisitions will merge with and into ABAC IV, with ABAC IV to be the surviving corporation after the merger. As a result, ABAC IV and its subsidiaries will be controlled by USConnect. Applicants assert that the proposed transaction is entitled to presumptive streamlined treatment under section 63.03(b)(2)(iii) of the Commission's rules and that a grant of the application will serve the public interest, convenience, and necessity.<sup>4</sup>
