OVER \$255 MILLION OF CONNECT AMERICA FUNDING AUTHORIZED TO CONNECT UNSERVED HOMES AND BUSINESSES IN 41 STATES

WC Docket No. 10-90

By this Public Notice, the Wireline Competition Bureau (Bureau) authorizes \$255,723,850 in second round of Connect America Phase I incremental support for certain census blocks in response to elections from five price cap carriers: AT&T, CenturyLink, FairPoint Communications (FairPoint), Frontier Communications (Frontier), and Windstream Corporation (Windstream). ¹ In total, these carriers elected to serve 563,767 locations spread throughout 84,097 census blocks. ² 73,015 of those census blocks were reported as unserved with fixed broadband with speeds of 3 Mbps/768 kbps or higher on the National Broadband Map. ³ No provider challenged their elections for 66,712 of those census blocks. Given these blocks are shown on the map as unserved, and no party contested the eligibility of these blocks for funding, the Bureau now authorizes funding for the 393,409 locations contained in these 66,712 census blocks.

A machine readable list of the census blocks authorized in this Public Notice is available at http://hraunfoss.fcc.gov/edocs_public/attachmatch/DOC-324550A1.xlsx. The Universal Service Administrative Company is authorized and directed to distribute Phase I incremental support to the operating companies for each affected carrier as specified in Attachment 1.⁴ Attachment 2 to this document summarizes the authorized funding and obligation for each carrier. The Bureau will take action on the remaining pending elections at a future date.

Vice President for Government Affairs and Strategy, Windstream, to Marlene H. Dortch, Secretary, Federal

Communications Commission, WC Docket No. 10-90 (filed Aug. 20, 2013).

¹ Letter from Robert W. Quinn, Senior Vice President for Federal Regulatory and Chief Privacy Officer, AT&T, to Marlene H. Dortch, Secretary, Federal Communications Commission, WC Docket No. 10-90 (filed Aug. 20, 2013); Letter from Melissa E. Newman, Senior Vice President for Federal Policy and Regulatory Affairs, CenturyLink, to Marlene H. Dortch, Secretary, Federal Communications Commission, WC Docket No. 10-90 (filed Aug. 20, 2013); Letter from Michael T. Skrivan, Vice President for Regulatory, FairPoint, to Marlene H. Dortch, Secretary, Federal Communications Commission, WC Docket No. 10-90 (filed Aug. 20, 2013); Letter from Michael Golob, Senior Vice President for Engineering and Technology, Frontier, to Marlene H. Dortch, Secretary, Federal Communications Commission, WC Docket No. 10-90 (filed Aug. 20, 2013); Letter from Eric N. Einhorn, Senior

² The census block figures in this Public Notice count each census block and wire center combination individually. Thus, a single census block may be counted multiple times if it is split between two or more wire centers.

³ The remaining elections were in census blocks where the price cap carriers challenged the designation of the blocks as served on the National Broadband Map.

⁴ For funding disbursement purposes, Attachment 1 allocates funding at the operating company level. However, in satisfying its Phase I deployment obligations, the holding company for a price cap carrier is free to redistribute this funding among its operating companies.

To request materials in accessible formats for people with disabilities (braille, large print, electronic files, audio format), send an e-mail to fcc504@fcc.gov or call the Consumer & Governmental Affairs Bureau at 202-418-0530 (voice), 202-418-0432 (tty).

For further information, please contact Ryan Yates, Telecommunications Access Policy Division, Wireline Competition Bureau at 202-418-7400, TTY (202) 418-0484, or at Ryan.Yates@fcc.gov.
