\* Indicates an item with one or more census blocks that were the subject of a winning bid in Auction 901. Any census block for which support is authorized at the conclusion of the Auction 901 long-form application review will not be eligible for Tribal Mobility Fund Phase I support. If prior to the release of the list of eligible census blocks the Bureaus determine that any of the identified winning bids from Auction 901 cannot be authorized, but would otherwise be eligible for Auction 902, then any such eligible blocks will be made available.
