## COMMENTS INVITED ON APPLICATION OF INSIGHT PHONE OF KENTUCKY, LLC D/B/A INSIGHT PHONE TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 13-94 Comp. Pol. File No. 1094

Comments Due: April 29, 2013

Section 214 Application Applicant: Insight Phone of Kentucky, LLC d/b/a Insight Phone

On March 20, 2013, Insight Phone of Kentucky, LLC d/b/a Insight Phone (Insight or Applicant), located at 60 Columbus Circle, New York, NY 10023, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue certain domestic telecommunications services in Lexington, Kentucky.

Insight indicates that it currently provides domestic circuit-switched local telecommunications services to approximately 700 customers in Lexington, Kentucky. Insight explains, however, that it is changing its telephone service offerings and that it plans to discontinue its provision of circuit-switched local telecommunications services in Lexington, Kentucky on or after May 20, 2013. According to Insight, written notice of the planned discontinuance was mailed to all affected customers on March 18, 2013. Insight indicates that the notice informed customers of their option to switch to Insight's Digital Phone (VoIP) service at no additional cost, as well as their option to obtain alternative service from other service providers in the area. Insight maintains that the public convenience and necessity will not be adversely affected by the proposed discontinuance because customers have been provided with adequate notice and the public has access to comparable domestic telephone services offered in the area at competitive prices. Insight represents that it is non-dominant with respect to the services it proposes to discontinue.

In accordance with section 63.71(c) of the Commission's rules, Insight's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies Insight that the grant will not be automatically effective. In its application, Insight indicates that it plans to discontinue circuit-switched local telecommunications services in Lexington, Kentucky on or after May 20, 2013. Accordingly, pursuant to section 63.71(c), absent further Commission action, Insight may terminate its circuit-switched local telecommunications services in Lexington, Kentucky on or after May 20, 2013. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive

service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.
