NOTICE OF PROPOSED RULE MAKING

Adopted: January 24, 2013

Released: January 25, 2013

Comment Date: March 18, 2013

Reply Date: April 2, 2013

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a Petition for Rule Making filed by Wendolyn Tellez ("Petitioner"), licensee of FM Station KSAG, Channel 277A, Pearsall, Texas. Petitioner proposes to amend the FM Table of Allotments, Section 73.202(b) of the Commission's rules, by substituting Channel 277A for vacant Channel 227A at Pearsall, Texas.¹ This proposal is part of a contingently filed "hybrid" application and rule making petition.

2. **Background.** In her contingent application, Petitioner proposes that the license for FM Station KSAG be modified to specify operation on FM Channel 227A rather than FM Channel 277A.² Correspondingly, Petitioner proposes to amend the FM Table of Allotments by substituting Channel 277A for vacant Channel 227A, at Pearsall, Texas.

3. **Discussion.** The proposed change in the FM Table of Allotments warrants consideration because it would comply with our technical requirements and could serve the public interest. The channel substitution and change in transmitter site will allow Petitioner to continue to serve Pearsall while providing service to nearly 20 percent more persons, including those in an area that has enjoyed significant population growth. Accordingly, we seek comment on the proposed amendment of the FM Table of Allotments, 47 C.F.R. Section 73.202(b), with respect to Pearsall, Texas, as set forth below:

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Pearsall, Texas	227A	277A

¹ Concurrence by the Government of Mexico is required because Channel 227A at Pearsall, Texas, is located within 320 kilometers (199 miles) of the U.S.-Mexican border. Mexican concurrence has been requested for this vacant allotment, but has not yet been received.

² File No. BPH-20120814ABM.

Proposed Coordinates for Channel 277A at Pearsall, Texas: 28-56-40 NL and 99-11-44 WL, at a site 11.4 km (7.1 miles) northwest of Pearsall.

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached *Appendix* and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required in paragraph 2 of the *Appendix* before a channel will be allotted.

5. Pursuant to Sections 1.415 and 1.419 of the Commission's Rules,³ interested parties may file comments on or before March 18, 2013, and reply comments on or before April 2, 2013, and are advised to read the *Appendix* for the proper procedures. Comments should be filed with the Federal Communications Commission. Additionally, a copy of any filing should be served on counsel for Petitioner, as follows:

Commercial overnight mail (other than U.S. Postal Service Express Mail or Priority Mail) must be sent to 9300 East Hampton Drive, Capitol Heights, MD 20743. U.S. Postal Service first-class mail, Express Mail, and Priority Mail should be addressed to 445 12th Street, SW, Washington, D.C. 20554. **All filings must be addressed to Marlene H. Dortch, Secretary, Federal Communications Commission, Office of the Secretary. Any filing that is not addressed to the Office of the Secretary will be treated as filed on the day it is received in the Office of the Secretary. See 47 C.F.R. § 1.7. Accordingly, failure to follow the specified requirements may result in the treatment of a filing as untimely.**

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to a rule making proceeding to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules.⁴ This document does not contain proposed information collection requirements subject to the Paperwork Reduction Act of 1995,

³ See 47 C.F.R. §§1.415 and 1.419.

⁴ See *Certification that Section 603 and 604 of the Regulatory Flexibility Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 Fed.Reg. 11549 (February 9, 1981).

Public Law 104-13. In addition, therefore, it does not contain any proposed information collection burden “for small business concerns with fewer than 25 employees,” pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198.⁵

8. For further information concerning these proceedings, contact Deborah A. Dupont, Media Bureau, at (202) 418-7072. For purposes of these restricted notice and comment rule making proceedings, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a *Notice of Proposed Rule Making* until the proceeding has been decided and such decision in the applicable docket is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or any summary of any new information shall be served by the person making the presentation upon the other parties to the proceeding in the particular docket unless the Commission specifically waives this service requirement. Any comment which has not been served on the Petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in this proceeding.

Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments (*see* 47 C.F.R. Section 1.420(d).)

(b) Petitions for rule making which conflict with the proposals in this *Notice* will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; service. Pursuant to applicable procedures set out in 47 C.F.R. Sections 1.415 and 1.420, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this *Appendix* is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. The person filing the comments shall serve comments on the Petition. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. A certificate of service shall accompany such comments and reply comments (*see* 47 C.F.R. Section 1.420(a), (b) and (c).)
