**PUBLIC SAFETY AND HOMELAND SECURITY BUREAU SEEKS COMMENT ON
PETITION FOR DECLARATORY RULING BY SPRINT NEXTEL CORPORATION
CONCERNING 800 MHZ REBANDING “ANTI-WINDFALL” PAYMENT AND LETTER OF
CREDIT MINIMUM AMOUNT**

WT Docket No. 02-55

COMMENTS DUE: February 25, 2013

REPLY COMMENTS DUE: March 11, 2013

By this Public Notice, the Public Safety and Homeland Security Bureau (PSHSB) seeks comment pursuant to Section 1.2(b) of the Commission’s rules¹ on a request for Declaratory Ruling filed by Sprint Nextel Corporation (Sprint) in the 800 MHz rebanding proceeding.² In its declaratory ruling request, Sprint seeks a determination that, based on its cumulative creditable rebanding expenditures, it will not have to make an “anti-windfall” payment to the U.S. Treasury pursuant to the Commission’s 800 MHz rebanding orders.³ Should the Commission determine that no anti-windfall payment is required, Sprint urges the Commission to simplify and streamline certain rebanding-related record-keeping and audit processes.⁴

Sprint further requests that the Commission allow Sprint to reduce below \$850 million the minimum amount of the Letter of Credit that Sprint was required to obtain to secure its relocation funding obligations.⁵ The Commission has allowed reductions in the original \$2.5 billion Letter of Credit amount as Sprint has paid rebanding expenses, but previously established an \$850 million “floor” for the Letter of Credit balance.⁶ Sprint contends that this minimum balance no longer serves the public interest because it exceeds the amount that Sprint will need to pay to complete the rebanding of 800 MHz systems that have not rebanded to date.⁷

We seek comment on Sprint's Petition for Declaratory Ruling and announce the pleading cycle during which comments and replies may be filed.

This proceeding will be treated as "permit but disclose" for purposes of the Commission's *ex parte* rules. See generally 47 C.F.R. §§ 1.1200-1.1216. As a result of the permit-but-disclose status of this proceeding, *ex parte* presentations will be governed by the procedures set forth in Section 1.1206 of the Commission's rules applicable to non-restricted proceedings.⁸ Persons making *ex parte* presentations must file a copy of any written presentation or a memorandum summarizing any oral presentation within two business days after the presentation (unless a different deadline applicable to the Sunshine period applies). Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must (1) list all persons attending or otherwise participating in the meeting at which the *ex parte* presentation was made, and (2) summarize all data presented and arguments made during the presentation. If the presentation consisted in whole or in part of the presentation of data or arguments already reflected in the presenter's written comments, memoranda or other filings in the proceeding, the presenter may provide citations to such data or arguments in his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers where such data or arguments can be found) in lieu of summarizing them in the memorandum. Documents shown or given to Commission staff during *ex parte* meetings are deemed to be written *ex parte* presentations and must be filed consistent with rule 1.1206(b). Written *ex parte* presentations and memoranda summarizing oral *ex parte* presentations, and all attachments thereto, must be filed through the electronic comment filing system available for that proceeding, and must be filed in their native format (*e.g.*, .doc, .xml, .ppt, searchable .pdf). Participants in this proceeding should familiarize themselves with the Commission's *ex parte* rules.
