ORDER

Adopted: August 11, 2014

Released: August 11, 2014

By the Deputy Chief, Enforcement Bureau:

1. In this Order and Consent Decree, the Enforcement Bureau (Bureau) of the Federal Communications Commission (Commission) settles allegations that radio station KBDR(FM), Mirando City, Texas (Station) violated the indecency laws. The indecency laws generally prohibit the broadcast of indecent material between 6:00 a.m. and 10:00 p.m. In this case, the Commission received a complaint that language used by the Station's disc jockey during morning programming broadcast on the Station violated the indecency laws. For purposes of the settlement, Border Media Business Trust (Border Media), parent of the former licensee of the Station, admits that the Station's broadcast violated the indecency laws and will pay \$37,500 to resolve the allegations.

2. In this Order, we adopt the attached Consent Decree entered into between the Bureau and Border Media. At the time of the allegations specified in the complaint, BMP 100.5 FM, LP (BMP) was the licensee of the Station. Border Media, parent of BMP, assumed liability for the outcome of the indecency complaints against the Station.¹ Border Media has filed an application to assign its radio station to an unrelated party,² and if that assignment is granted and consummated, then Border Media will no longer hold any interests in broadcast licenses. The Consent Decree resolves and terminates the Bureau's investigation into whether BMP violated Section 1464 of Title 18, United States Code, and Section 73.3999 of the Commission's rules (Rules)³ by broadcasting indecent, profane, or obscene material on the Station.

3. The Bureau and Border Media have negotiated the terms of the Consent Decree that resolves this matter. A copy of the Consent Decree is attached hereto and incorporated herein by reference.

4. After reviewing the terms of the Consent Decree and evaluating the facts before us, we find that the public interest will be served by adopting the Consent Decree and terminating the investigation.

¹In an Agreement Regarding Assignment Application between BMP, Border Media, and the Commission fully executed on November 20, 2012, Border Media agreed to accept liability for potential violations of the indecency laws resulting from complaints, including the complaint at issue here, that were pending against the Station at that time. BMP is not currently a Commission broadcast licensee.

³ 18 U.S.C. § 1464; 47 C.F.R. § 73.3999.

5. In the absence of material new evidence relating to this matter, we conclude that our investigation raises no substantial or material questions of fact as to whether Border Media possesses the basic qualifications, including those related to character, to hold or obtain any Commission license or authorization.

6. Accordingly, **IT IS ORDERED** that, pursuant to Sections 4(i), 4(j), and 503(b) of the Communications Act of 1934, as amended,⁴ and Sections 0.111 and 0.311 of the Rules,⁵ the Consent Decree attached to this Order **IS ADOPTED**.

7. **IT IS FURTHER ORDERED** that the above-captioned investigation **IS TERMINATED**.

8. **IT IS FURTHER ORDERED** that any third-party complaints and allegations against the Station and/or Border Media and/or BMP related to the above-captioned investigation that are currently pending before the Bureau as of the date of this Consent Decree **ARE DISMISSED**.

9. **IT IS FURTHER ORDERED** that a copy of this Order and Consent Decree shall be sent by both First Class U.S. Mail and Certified Mail to Border Media Business Trust, c/o BMP San Antonio License Company, L.P., 3526 Lakeview Parkway, Suite B152, Rowlett, Texas 75088, and to its counsel, Dawn Sciarrino, Esquire, Sciarrino & Shubert, PLLC, 5425 Tree Line Drive, Centreville, Virginia 20120.

II. BACKGROUND

3. Section 1464 of Title 18 of the United States Code prohibits the utterance of “any obscene, indecent, or profane language by means of radio communication.”⁴ In addition, Section 73.3999 of the Rules provides that radio and television stations shall not broadcast obscene material at any time⁵ and, consistent with a subsequent statute and court case, shall not broadcast indecent material between 6:00 a.m. and 10:00 p.m.⁶ These provisions are primarily intended to minimize the risk that children will be exposed to indecent material.

4. The Bureau received a Complaint alleging that, on May 18, 2011, during the morning program “Danny Boy” broadcast on the Station, the disc jockey Danny Boy used “language talking about profane issues, with disregard to children.”⁷ Specifically, the Complaint alleges that the disc jockey said: “what do you have to do to a woman in order to get a blowjob from her?” and other “sexual related vulgar language.”⁸

5. In a letter to the Bureau dated January 7, 2014, Border Media stated that it could not admit or deny the allegations specified in the Complaint because Danny Boy’s employment with the Station was terminated on June 7, 2011, and it was unable to locate any tapes of the broadcast identified in the Complaint.⁹ Border Media also explained that Station personnel have no knowledge of the content
