THE SUNLIGHT FOUNDATION SEEKING EXPANSION OF ONLINE PUBLIC FILE
OBLIGATIONS TO CABLE AND SATELLITE TV OPERATORS**

Bureau Also Seeks Comment on Expanding Online Public File Obligations to Radio Licensees

MB Docket No. 14-127

Comment Date: August 28, 2014

Reply Comment Date: September 8, 2014

The Campaign Legal Center, Common Cause and the Sunlight Foundation filed a Petition for Rulemaking requesting that the Federal Communications Commission (Commission) “initiate a rulemaking to expand to cable and satellite systems the requirement that public and political files be posted to the FCC’s online database.”¹

When it adopted the online public file rules, the Commission decided to limit initial implementation to broadcast television stations, specifically declining to require radio, cable systems or other multichannel video programming distributors to post public file documents to the FCC’s online database at that time.² The Commission explained that there was an insufficient record to extend the requirement beyond broadcast television, and that starting with television licensees would “ease the initial implementation of the online public file.”³

The online public file launched on August 2, 2012. In the intervening two years, over half a million items have been successfully uploaded into the online file, and the site has generated nearly five million page views. Despite initial concerns, NAB has characterized the first wave of implementation as “uneventful.”⁴ As of July 1, 2014, all television broadcast stations have fully transitioned to the online file.

With this transition complete, we seek comment on the above-mentioned petition. We also seek comment on whether the Commission should initiate a rulemaking proceeding to require broadcast radio stations to use the online public file, and on an appropriate time frame for such a requirement.⁵

This proceeding will be treated as “permit but disclose” for purposes of the Commission’s *ex parte* rules. See generally 47 C.F.R. §§ 1.1200-1.1216. As a result of the permit-but-disclose status of this proceeding, *ex parte* presentations will be governed by the procedures set forth in Section 1.1206 of the Commission’s rules applicable to non-restricted proceedings.⁶

Given that all comments will be posted to the Commission’s Electronic Comment Filing System (ECFS), we hereby waive the requirement that parties be served copies of the comments and reply comments in this proceeding,⁷ pursuant to Section 1.3 of the Commissions rules.⁸
