WIRELINE COMPETITION BUREAU EXTENDS DEADLINE FOR FILING REPLY COMMENTS IN THE OPEN INTERNET AND FRAMEWORK FOR BROADBAND INTERNET SERVICE PROCEEDINGS

GN Docket Nos. 14-28, 10-127

Reply Comment Date: September 15, 2014

By this Public Notice, the Commission's Wireline Competition Bureau (Bureau) extends the deadline for filing reply comments in response to the *2014 Open Internet Notice of Proposed Rulemaking* and the *Framework for Broadband Internet Access Service Refreshing the Record Public Notice*.¹

The *2014 Open Internet Notice of Proposed Rulemaking* and the *Framework for Broadband Internet Access Service Refreshing the Record Public Notice* set dates for filing comments and reply comments of July 15 and September 10, 2014, respectively. On July 15, 2014, however, the Bureau announced that initial comments would be accepted as timely filed for an additional three business days (i.e., through July 18, 2014).² To ensure that members of the public have as much time as was initially anticipated to reply to initial comments in these proceedings, the Bureau today is extending the reply comment deadline by three business days. Accordingly, interested parties now have until Monday, September 15, 2014 to file reply comments.
