LIABILITY FOR FORFEITURE**

Adopted: September 10, 2014

Released: September 10, 2014

By the Chief, Video Division, Media Bureau:

I. INTRODUCTION

1. In this *Notice of Apparent Liability for Forfeiture* (“NAL”)¹ we find that Sunshine State Television Network, Inc. (the “Licensee”), licensee of Class A television station KOHC-CD, Oklahoma City, Oklahoma, (the “Station”), apparently willfully and/or repeatedly violated the Commission’s Rules by: (i) failing to file with the Commission the Station’s Children’s Television Programming Reports, in violation of Section 73.3526(e)(11)(iii)²; (ii) failing to file timely the Station’s license renewal application, in violation of Section 73.3539(a);³ and (iii) failing to report these violations in the renewal application, in violation of Section 73.3514(a).⁴ Based upon our review of the facts and circumstances before us, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of Twelve Thousand Dollars (\$12,000).

II. BACKGROUND

2. Section 73.3526 of the Rules requires each commercial broadcast licensee to maintain a public inspection file containing specific types of information related to station operations.⁵ As set forth in subsection 73.3526(e)(11)(iii), each commercial television licensee is required to prepare and place in its public inspection file a Children’s Television Programming Report (FCC Form 398) for each calendar quarter reflecting, *inter alia*, the efforts that it made during that quarter to serve the educational and informational needs of children. That subsection also requires licensees to file the reports with the Commission and to publicize the existence and location of the reports.

3. Section 73.3514(a) of the Rules provides that “[e]ach application shall include all information called for by the particular form on which the application is required to be filed. . . .” Section IV, Question 3 of the Form 303-S license renewal application requires licensees to certify “that the

¹ This *NAL* is issued pursuant to Section 503(b) of the Communications Act of 1934, as amended (the “Act”), and Section 1.80 of the Commission’s Rules (the “Rules”). *See* 47 U.S.C. § 503(b); 47 C.F.R. § 1.80. The Chief, Video Division, Media Bureau, has delegated authority to issue the *NAL* under Section 0.283 of the Rules. *See* 47 C.F.R. § 0.283.

documentation, required by 47 C.F.R. Section 73.3526 . . . has been placed in the station's public inspection file at the appropriate times." Section IV, Question 6 of the license renewal application requires licensees to certify that it has filed with the Commission its Children's Television Programming Reports according to the requirements of Section 73.3526 of the Commission's rules and requires the Licensee to submit a statement of explanation as an exhibit if the Licensee has failed to do so.

4. Section 73.3539(a) of the Rules requires a broadcast television license renewal application to be filed "not later than the first day of the fourth full calendar month prior to the expiration date of the license sought to be renewed..."⁶

5. The Licensee's broadcast license was scheduled to expire on June 1, 2014. In accordance with Section 73.3539(a) of the Rules, the Licensee was required to file its Form 303-S to renew the license of KOHC-CD on or before February 1, 2014. Licensee did not file its Form 303-S until May 27, 2014.⁷

6. Although the Licensee did not report the violations in its renewal application, a review of the Licensee's public file showed that the Licensee failed to file timely Children's Television Programming Reports for four quarters.

III. DISCUSSION

7. The Licensee's failure to file with the Commission in a timely manner its Children's Television Programming Reports for four quarters constitutes an apparent willful and/or repeated violation of Section 73.3526(e)(11)(iii). The Licensee's filing of its license renewal application 116 days after the deadline constitutes an apparent willful violation of Section 73.3539(a) of the Rules. The Licensee's failure to report these violations constitutes an apparent willful and/or repeated violation of Section 73.3514(a).⁸

8. This *NAL* is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, any person determined by the Commission to have willfully and/or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.⁹ Section 312(f)(1) of the Act defines willful as "the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate" the law.¹⁰ The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,¹¹ and the Commission has so interpreted the term in the Section 503(b) context.¹² Section 312(f)(2) of the Act provides that "[t]he term 'repeated,' when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day."¹³

9. The Commission's *Forfeiture Policy Statement* and Section 1.80(b)(4) of the Rules establish a base forfeiture amount of \$3,000 for failure to file a required form and a base forfeiture

amount of \$10,000 for public file violations.¹⁴ In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in Section 503(b)(2)(D) of the Act, including “the nature, circumstances, extent and gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.”¹⁵

10. In this case, the Licensee failed to file its Children’s Television Programming Reports in a timely manner for four quarters, and we therefore conclude that the Licensee is apparently liable for a \$6,000 forfeiture for this apparent violation. The Licensee also failed to file its renewal application in a timely manner, and we conclude that the Licensee is apparently liable for a \$3,000 forfeiture for this apparent violation. Finally, the Licensee failed to report these violations in its renewal application and we therefore conclude that the Licensee is liable for a \$3,000 forfeiture for this violation. Based on the record before us, we therefore conclude that a total forfeiture in the amount of \$12,000 for the Station is appropriate for the Licensee’s apparent willful and/or repeated violations of Section 73.3526(e)(11)(iii), Section 73.3539(a), and Section 73.3514(a) of the Commission’s Rules.
