Amendment of Section 73.202(b),	)	MB Docket No. 14-56
Table of Allotments,	)	RM-11718
FM Broadcast Stations.	)	
(Centerville, Texas)	)	
	)	
Station KKEE, Centerville, Texas	)	File No. BMPH-20140324ADD

**REPORT AND ORDER  
(Proceeding Terminated)**

**Adopted: September 18, 2014**

**Released: September 19, 2014**

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a *Notice of Proposed Rule Making*,<sup>1</sup> issued in response to a Petition for Rule Making (“Petition”) filed by Bryan Broadcasting License Corporation (“Petitioner”), permittee of Station KKEE, Channel 274A, Centerville, Texas. Also before us is Petitioner’s “hybrid” application<sup>2</sup> (the “Application”). Petitioner filed comments. No counterproposals or other comments were received in response to the *Notice*. For the reasons discussed below, we grant the Petition and Application.

2. **Background.** The *Notice* proposed to amend the FM Table of Allotments, Section 73.202(b) of the Commission’s Rules, by substituting Channel 274A for vacant Channel 267A at Centerville, Texas. This channel substitution accommodates the Application, requesting to modify the facilities of Station KKEE by changing the channel and its transmitter site from Channel 274A to Channel 267A at Centerville, Texas. Petitioner filed comments reiterating its present intention to apply for Channel 274A at Centerville, if allotted, and if authorized, to build the station promptly.

3. **Discussion.** We substitute Channel 274A for vacant Channel 267A at Centerville, Texas, and grant the Application. We find that the “channel swap” would serve the public interest because it would improve coverage to the community of Centerville. A staff engineering analysis indicates that Channel 274A can be allotted to Centerville, Texas consistent with the minimum distance separation requirements of the Commission’s Rules with a site restriction located 4.3 kilometers (2.7 miles) east of Centerville. The reference coordinates are 31-15-00 NL and 95-56-00 WL.

4. **Ordering Clauses.** Accordingly, pursuant to the authority found in 47 U.S.C. Sections 4(i), 5(c)(1), 303(g) and (r) and 307(b) and 47 C.F.R. Sections 0.61, 0.204(b) and 0.283, IT IS ORDERED That effective, November 3, 2014, the FM Table of Allotments, 47 C.F.R. Section 73.202(b), IS AMENDED, with respect to the community listed below, to read as follows:

<sup>1</sup> See *Centerville, Texas* Notice of Proposed Rule Making, 29 FCC Rcd 4917 (MB 2014) (“*Notice*”).

<sup>2</sup> See File No. BMPH-20140324ADD.

---

<u>Community</u>	<u>Channel No.</u>
Centerville, Texas	274A

5. The window period for filing application for Channel 274A at Centerville, Texas, will not be opened at this time. Instead, the issue of opening filing window for this allotment will be addressed by the Commission in a subsequent order.

6. The Commission will send a copy of this *Report and Order* in a report to Congress and the Government Accountability Office pursuant to the Congressional Review Act, *see* 5 U.S.C. § 801(a)(1)(A).

7. IT IS FURTHER ORDERED, that the Application, File No. BMPH-20140324ADD, filed by Bryan Broadcasting License Corporation, IS GRANTED.

8. IT IS FURTHER ORDERED, that this proceeding IS TERMINATED.

9. For further information concerning this proceeding, contact Rolanda F. Smith, Media Bureau, (202) 418-2700.

FEDERAL COMMUNICATIONS COMMISSION
