COMMENTS INVITED ON APPLICATION OF TW TELECOM OF GEORGIA L.P. TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 14-158
Comp. Pol. File No. 1173

Comments Due: October 6, 2014

Section 214 Application **Applicant: tw telecom of georgia l.p.**

On **September 3, 2014**, **tw telecom of georgia l.p.** (TW Telecom or Applicant), located at **10475 Park Meadows Drive, Littleton, CO 80124**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue certain domestic telecommunications services in the Columbus, Georgia metropolitan area (Service Area).¹

TW Telecom indicates that it currently offers Complete Lines/Trunks Service (a/k/a Complete Lines DS0) in the Service Area. TW Telecom explains that its Complete Lines/Trunks Service provides voice-grade telephonic communications channels that can be used to place or receive one call at a time. TW Telecom states, however, that it plans to discontinue the voice service component of its Complete Lines/Trunks Service (Affected Service) in the Service Area on or after October 20, 2014, subject to Commission authorization. TW Telecom maintains that the public convenience and necessity will not be adversely affected by the proposed discontinuance because all affected customers have been given notice that affords them ample time to acquire reasonable substitute services that are readily available in the Service Area and that include, but are not limited to, other services offered by TW Telecom. TW Telecom states that affected customers were notified of the proposed discontinuance by letters sent via U.S. mail on September 3, 2014. TW Telecom further asserts that it is considered a non-dominant carrier in its provision of the Affected Service in the Service Area.

In accordance with section 63.71(c) of the Commission's rules, TW Telecom's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies TW Telecom that the grant will not be automatically effective. In the application, TW Telecom indicates that it plans to discontinue the Affected Service in the Service Area on or after October 20, 2014, subject to Commission approval. Accordingly, pursuant to section 63.71(c)

¹ TW Telecom states that it is also filing notice of the proposed discontinuance with the International Bureau. Discontinuance of international service is governed by section 63.19 of the Commission's rules. *See* 47 C.F.R. § 63.19.

and the terms of TW Telecom's application, absent further Commission action, TW Telecom may discontinue the Affected Service in the Columbus, Georgia metropolitan area on or after **October 20, 2014**. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

Comments objecting to this application must be filed with the Commission on or before **October 6, 2014**. Such comments should refer to **WC Docket No. 14-158 and Comp. Pol. File No. 1173**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service.
