LIABILITY FOR FORFEITURE**

Adopted: September 23, 2014

Released: September 23, 2014

By the Chief, Video Division, Media Bureau:

I. INTRODUCTION

1. In this *Notice of Apparent Liability for Forfeiture* (“NAL”)¹ we find that KTGF License Corporation (the “Licensee”), licensee of television station KTGF, Great Falls, Montana (the “Station”), apparently willfully and/or repeatedly violated the Commission’s Rules by: (1) failing to file timely the Station’s Children’s Television Programming Reports, in violation of Section 73.3526 (e)(11)(iii);² (2) failing to report these violations in the renewal application, in violation of Section 73.3514(a);³ and (3) failing to provide accurate address information to assure that Commission documents or correspondence will promptly reach the Licensee or its representative, in violation of Section 1.5(b).⁴ Based upon our review of the facts and circumstances before us, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of Twelve Thousand Dollars (\$12,000).

II. BACKGROUND

2. Section 73.3526 of the Rules requires each commercial broadcast licensee to maintain a public inspection file containing specific types of information related to station operations.⁵ As set forth in subsection 73.3526(e)(11)(iii), each commercial television licensee is required to prepare and place in its public inspection file a Children’s Television Programming Report (FCC Form 398) for each calendar quarter reflecting, *inter alia*, the efforts that it made during that quarter to serve the educational and informational needs of children. That subsection also requires licensees to file the reports with the Commission and to publicize the existence and location of the reports.

3. Section 73.3514(a) of the Rules provides that “[e]ach application shall include all information called for by the particular form on which the application is required to be filed. . . .” Section IV, Question 3 of the Form 303-S license renewal application requires licensees to certify “that the

¹ This *NAL* is issued pursuant to Section 503(b) of the Communications Act of 1934, as amended (the “Act”), and Section 1.80 of the Commission’s Rules (the “Rules”). See 47 U.S.C. § 503(b); 47 C.F.R. § 1.80. The Chief, Video Division, Media Bureau, has delegated authority to issue the *NAL* under Section 0.283 of the Rules. See 47 C.F.R. § 0.283.

documentation, required by 47 C.F.R. Section 73.3526 . . . has been placed in the station's public inspection file at the appropriate times."

4. Section 1.5(a) of the Rules requires that each Licensee furnish the Commission with an address to be used by the Commission in serving documents or directing correspondence to that licensee.⁶ Section 1.5(b) states that the Licensee is responsible for making any arrangements which may be necessary in his particular circumstances to assure that Commission documents or correspondence delivered to this address will promptly reach him or some person authorized by him to act in his behalf.⁷

5. On November 23, 2013, the Licensee filed its license renewal application (FCC Form 303-S) for Station KTGF (the "Application").⁸ The Licensee failed to report that it did not file its Children's Television Programming Reports in a timely manner for at least six quarters during its term as licensee.

6. On July 3, 2014, the Video Division issued a Notice of Apparent Liability regarding these apparent violations.⁹ A copy of the NAL was mailed to the address listed in the Licensee's renewal application, as required, but was returned undeliverable.¹⁰

III. DISCUSSION

7. The Licensee's failure to file electronically the Station's Children's Television Programming Reports for six quarters constitutes an apparent willful and/or repeated violation of Section 73.3526(e)(11)(i). The Licensee's failure to report these violations in its renewal application constitutes an apparent willful and/or repeated violation of Section 73.3514(a).¹¹ The Licensee's failure to provide a valid mailing address to the Commission represents a willful and/or repeated violation of Section 1.5 of the Commission's Rules.

8. This *NAL* is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, any person determined by the Commission to have willfully and/or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.¹² Section 312(f)(1) of the Act defines willful as "the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate" the law.¹³ The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,¹⁴ and the Commission has so interpreted the term in the Section 503(b) context.¹⁵ Section 312(f)(2) of the Act provides that "[t]he term 'repeated,' when used with reference to the commission or omission of any act, means the commission or omission of such act more

than once or, if such commission or omission is continuous, for more than one day.”¹⁶

9. The Commission’s *Forfeiture Policy Statement* and Section 1.80(b)(4) of the Rules establish a base forfeiture amount of \$3,000 for failure to file a required form or provide required information.¹⁷ In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in Section 503(b)(2)(D) of the Act, including “the nature, circumstances, extent and gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.”¹⁸

10. In this case, the Licensee failed to file the Children’s Television Programming Reports timely for six quarters, including two quarters in which the reports were filed over a year late, and we conclude that the Licensee is apparently liable for a \$6,000 forfeiture for this public file violation. The Licensee further failed to report the violations in its renewal application and we therefore conclude that the Licensee is liable for a \$3,000 forfeiture for this violation. The Licensee also failed to provide an accurate mailing address in its license renewal application, and we conclude that the Licensee is liable for a \$3,000 forfeiture for this violation. Based on the record before us, we therefore conclude that a total forfeiture in the amount of \$12,000 for the Station is appropriate for the Licensee’s apparent willful and/or repeated violations of Sections 73.3526(e)(11)(iii), Section 73.3514(a), and Sections 1.5(a) and (b).
