COMMENTS INVITED ON APPLICATION OF POLAR TELCOM, INC. TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 14-189
Comp. Pol. File No. 1184

Comments Due: November 17, 2014

Section 214 Application **Applicant: Polar Telecom, Inc.**

On October 10, 2014, **Polar Telecom, Inc.** (Polar or Applicant), located at **110 East Fourth Street, P.O. Box 270, Park River, ND 58270**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue certain domestic telecommunications services in the Mayville and Portland areas of North Dakota (collectively, Service Areas).¹

Polar indicates that it currently offers competitive local exchange and exchange access services in the Service Areas. Polar states, however, that it plans to discontinue these services in the Service Areas on or after November 18, 2014. According to Polar, approximately 484 current customers will be affected by the proposed discontinuance of service. Polar maintains, however, that the public convenience and necessity is not adversely affected because customers have been provided adequate notice and comparable domestic local voice service is offered at competitive prices in the relevant geographic areas. Polar states that it sent notice of the proposed discontinuance to affected customers by U.S. Mail on October 10, 2014. The Applicant asserts that it is considered non-dominant with respect to the services to be discontinued.

In accordance with section 63.71(c) of the Commission's rules, Polar's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies Polar that the grant will not be automatically effective. In its application, Polar indicates that it plans to discontinue local exchange and exchange access services in the Service Areas on or after November 18, 2014. Accordingly, pursuant to section 63.71(c) and the terms of Polar's application, absent further Commission action, Polar may discontinue local exchange and exchange access services in the Service Areas on or after **December 1, 2014**, in accordance with its filed representations. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

¹ The application was subsequently received in the Competition Policy Division on October 20, 2014.

Comments objecting to this application must be filed with the Commission on or before **November 17, 2014**. Such comments should refer to **WC Docket No. 14-189 and Comp. Pol. File No. 1184**.
