

Before the
Federal Communications Commission
Washington, D.C. 20554

In the Matter of)
)
Connect America Fund) WC Docket No. 10-90

ORDER

Adopted: November 18, 2014

Released: November 18, 2014

By the Chief, Industry Analysis and Technology Division, Wireline Competition Bureau:

1. On November 14, 2014, the United States Telecom Association (USTelecom) requested a brief extension of the due date for the Urban Rates Survey from November 26, 2014 to December 17, 2014.¹ Among other arguments, USTelecom states that providers are currently subject to a number data requirements in addition to the Urban Rates Survey, including FCC Form 477 and the Special Access Data Request, all of which are due to be submitted to the Commission at approximately the same time.²

2. Although we do not routinely grant extensions of time, we find merit in USTelecom’s argument. We therefore find an extension of the deadline for completion of the Urban Rates Survey is warranted.

3. ACCORDINGLY, IT IS ORDERED that, pursuant to sections 0.91, 0.291, and 1.46 of the Commission’s rules, 47 C.F.R. §§ 0.91, 0.291, and 1.46, that the United States Telecom Association Request for Extension of Time of the due date of the Urban Rates Survey to December 17, 2014 is GRANTED.

FEDERAL COMMUNICATIONS COMMISSION
