### WC Docket No. 11-10

The FCC's Form 477 filing interface – at <https://apps2.fcc.gov/form477/login.xhtml> – has been reopened,<sup>1</sup> and the new filing deadline for Form 477 data as of June 30, 2014 is **December 11, 2014**. We apologize for any inconvenience related to these delays.

Filers who submitted their Form 477 filings prior to the closing of the site on September 26, 2014 do not need to take any further action; those filings remain in “Submitted” status. In addition, filers who started the filing process prior to the closing of the site do not need to re-upload any files or re-enter any records provided previously and should see those data after logging in to the interface.

We encourage filers who are still preparing their Form 477 data to take advantage of the resources available on the FCC's Form 477 Resources for Filers webpage at [www.fcc.gov/form477](http://www.fcc.gov/form477).
