**WIRELINE COMPETITION BUREAU SEEKS COMMENT ON  
THE JOINT PETITION OF QWEST CORPORATION D/B/A CENTURYLINK QC AND  
WILLARD TELEPHONE COMPANY, INC.  
TO WAIVE THE DEFINITION OF “STUDY AREA” AS CODIFIED IN PART 36 OF THE  
COMMISSION’S RULES**

**CC Docket No. 96-45**

**Comment Date: December 22, 2014**

**Reply Comment Date: January 6, 2015**

The Wireline Competition Bureau (Bureau) seeks comment on the Qwest Corporation d/b/a CenturyLink QC (CenturyLink) and Willard Telephone Company, Inc. (Willard) (together, Petitioners) joint petition for waiver of the definition of “study area.”<sup>1</sup> Petitioners state that the purpose of the waiver is to allow CenturyLink to move a portion of its Sterling Exchange, with four active subscriber lines and another four non-active subscriber locations, from its Colorado study area to Willard’s study area.<sup>2</sup> Petitioners state that grant of the petition is in compliance with the standards set forth in the *USF/ICC Transformation Order*<sup>3</sup> and that there will be little impact on the universal service fund and the overall support mechanism because so few access lines and non-subscriber locations are involved.<sup>4</sup> Petitioners claim that if the waiver is granted, the four access lines will receive little or no support.<sup>5</sup>

Effective November 15, 1984, the Commission froze all study area boundaries to prevent incumbent local exchange carriers from establishing separate study areas made up only of high-cost

exchanges to maximize their receipt of high-cost universal service support.<sup>6</sup> A carrier must therefore apply to the Commission for a waiver of the study area boundary freeze if it wishes to transfer or acquire additional exchanges.

In the *USF/ICC Transformation Order*, the Commission streamlined its rules governing study area waiver requests, creating a method similar to the Bureau's processing of routine section 214 transfer of control applications.<sup>7</sup> In the past, the procedures for addressing petitions for study area waiver required the Bureau to issue an order either granting or denying the request after issuing a public notice. Under the revised process, upon determination that a petitioner has filed a complete petition and that the petition is appropriate for streamlined treatment, the Bureau will issue a public notice seeking comment on the petition, and the petition will be deemed granted 60 days after the reply comment due date absent further action by the Bureau.<sup>8</sup> Based on an initial review, the Bureau finds that the Petition is complete and is appropriate for streamlined treatment, and it therefore seeks comment on the Petition.
