Petition for Declaratory Ruling
Grant of Authority

Date of Action: 01/28/2014

RigNet SatCom, Inc. ("RigNet SatCom" or the "Petitioner") has filed a petition with the Commission for a declaratory ruling ("Petition") pursuant to section 310(b)(4) of the Communications Act of 1934, as amended (the "Act"), 47 U.S.C. § 310(b)(4), and section 1.990(a)(1) of the Commission's rules, 47 C.F.R. § 1.990(a)(1), that it serves the public interest to permit foreign ownership in its controlling U.S.-organized parent company, RigNet, Inc. ("RigNet") in excess of the 25 percent foreign ownership benchmark in section 310(b)(4). RigNet SatCom filed the Petition in connection with a series of applications filed pursuant to section 214 and 310(d) of the Act, 47 U.S.C. § 214, 310(d), seeking approval for the acquisition by RigNet of certain assets of Stratos Offshore Services Company ("Stratos Offshore"), including common carrier radio station licenses and leases associated with Stratos Offshore's retail energy business. See Applications Filed for the Acquisition of Assets of Stratos Offshore Services Company by RigNet SatCom, Inc., WC Docket No. 13-224, Public Notice, DA 13-2084, 28 FCC Rcd. 14743(2013).

RigNet SatCom is a Delaware corporation. It is wholly owned and controlled by RigNet, which is a publicly held Delaware corporation. According to the Petition, Digital Oilfield Investments LP (Digital), a Cayman Islands exempted limited partnership, holds directly 28.2 percent of the equity and voting interests in RigNet and no other single individual or entity holds direct equity or voting interests in RigNet of ten percent or greater. Petitioner states that a series of affiliated Cayman Islands investment entities controlled by KKR & Co. L.P. (KKR), a Delaware limited partnership, own and control Digital and that all limited partnership interests are insulated in accordance with section 1.993(a) of the Commission's rules, 47 C.F.R. § 1.993(a). KKR Management LLC, a Delaware limited liability company, serves as the general partner of KKR. Henry R. Kravis and George R. Roberts, both U.S. citizens, are designated members of KKR Management LLC. The remaining members of KKR Management LLC are insulated in accordance with section 1.993(a) of the rules. In addition to the 28.2 percent equity and voting interests held directly in RigNet Inc. by Digital, Petitioner states that other foreign investors hold an aggregate 16.69 percent and 17.69 percent of RigNet's equity and voting interests, respectively. Petitioner thus calculates that RigNet's foreign equity and voting interests total 45.89 percent of its equity interests (28.2% + 17.69%) and 44.89 percent of its voting interests (28.2% + 16.69%), respectively.

Pursuant to the rules and policies established by the Commission's Foreign Ownership Second Report and Order, FCC 13-50, 28 FCC Rcd 5741 (2013), we find that the public interest would not be served by prohibiting foreign ownership of RigNet SatCom in excess of the 25 percent benchmark in section 310(b)(4) of the Act. Specifically, this ruling permits aggregate foreign ownership of RigNet SatCom's controlling U.S. parent company, RigNet, to exceed, directly and/or indirectly, 25 percent of its equity and/or voting interests, subject to the terms and conditions set forth in section 1.994 of the Commission's rules, 47 C.F.R. § 1.994, including the requirement to obtain Commission approval before RigNet SatCom's foreign ownership exceeds the terms and conditions of this ruling. In addition, this ruling specifically permits the following foreign-organized entities to hold, directly or indirectly, the equity and voting interests in RigNet as set forth below, and this ruling allows these entities to increase their interests up to and including a non-controlling 49.99 percent equity and/or voting interest in RigNet:

Digital Oilfield Investments LP (28.2% equity and 28.2% voting)
Digital Oilfield Investments GP Limited (less than 1% equity and 28.2% voting)
KKR European Fund III, Limited Partnership (26.5% equity and 28.2% voting)
KKR Associates Europe III, Limited Partnership (less than 1% equity and 28.2% voting)
KKR Europe III Limited (less than 1% equity and 28.2% voting)
KKR Fund Holdings L.P. (less than 1% equity and 28.2% voting)
KKR Fund Holdings GP Limited (less than 1% equity and 28.2% voting)
KKR Group Limited (less than 1% equity and 28.2% voting)

RigNet SatCom has an affirmative duty to monitor its foreign equity and voting interests, calculate these interests consistent the attribution principles enunciated by the Commission, including the standards and criteria set forth in sections 1.992 through 1.993 of the Commission's rules, 47 C.F.R. §§ 1.992-1.993, and otherwise ensure continuing compliance with the provisions of section 310(b) of the Act.

This declaratory ruling is without prejudice to the Commission's action on any other related pending application(s).

(DT Holding) was added to the ownership chain. Specifically, Global Holding GmbH (T-Mobile Holding) contributed its direct 66.79% interest in T-Mobile US Inc. (T-Mobile US) to DT Holding. DT Holding, a wholly-owned subsidiary of T-Mobile Holding, now holds a 66.79% interest in T-Mobile US. T-Mobile Holdings and DT Holdings are indirect wholly-owned subsidiaries of Deutsche Telekom AG (DT), and DT continues to indirectly control T-Mobile US and thus to have an indirect, non-controlling 53.6% interest in Iowa Wireless.

- (12) Except as otherwise ordered by the Commission, a carrier authorized here to provide facilities-based service that (i) is classified as dominant under Section 63.10 of the rules for the provision of such service on a particular route and (ii) is affiliated with a carrier that collects settlement payments for terminating U.S. international switched traffic at the foreign end of that route may not provide facilities-based switched service on that route unless the current rates the affiliate charges U.S. international carriers to terminate traffic are at or below the Commission's relevant benchmark adopted in International Settlement Rates, IB Docket No. 96-261, Report and Order, 12 FCC Rcd 19806 (1997). See also Report and Order on Reconsideration and Order Lifting Stay in IB Docket No. 96-261, FCC 99-124 (rel. June 11, 1999).
