NOTICE OF DISMISSALS OF CLOSED CAPTIONING EXEMPTION PETITIONS AND OBLIGATION TO BEGIN PROVIDING CLOSED CAPTIONING

CG Docket No. 06-181

By this *Notice*, the Federal Communications Commission's (FCC's or Commission's) Consumer and Governmental Affairs Bureau (Bureau) announces the dismissal of the petitions for exemption from the Commission's closed captioning requirements listed herein.¹

The Commission's closed captioning rules allow video programming providers, producers, or owners to obtain an exemption from the closed captioning requirements if they demonstrate that providing captions on their programming would be "economically burdensome."² On various dates, the petitioners listed in the Appendix filed petitions for closed captioning exemptions under these rules. The Bureau then placed each of these petitions on public notice. After reviewing the comments received in response to these petitions, the Bureau determined that it required additional and updated information to evaluate whether the programming at issue should be exempted from the FCC's closed captioning requirements because captioning such programming would impose an economic burden on the petitioners. The Bureau sent letters to these petitioners requesting this supplemental information within 30 days of the date of each letter. In these letters, the Bureau advised these petitioners that failure to respond would result in dismissal of their petitions for failure to support their exemption requests with adequate explanation and evidence. The Bureau further advised petitioners that, in the event of such dismissal, petitioners would be required to begin providing closed captioning on the programming at issue within 90 days of the date of the Bureau's notification of dismissal.

The petitioners listed in the Appendix failed to respond to the Bureau's letter requesting supplemental information.³ Accordingly, their petitions are dismissed without prejudice as of February 27, 2014, the release date of this *Notice*.⁴

¹ 47 C.F.R. § 79.1. The names of the petitioners are set forth in the Appendix to this *Notice*.

² 47 C.F.R. § 79.1(f).

³ One of the Bureau's letters requesting additional and updated information, dated September 26, 2013 to petitioner Ken Hobbs (CGB-CC-1249), was returned to the Commission as undeliverable on October 17, 2013. Several attempts to contact the petitioner were unsuccessful. The Bureau therefore includes this petition in this notice of dismissals for having failed to respond.

⁴ The release of this *Notice* serves as the Bureau's notification of dismissal to these petitioners. The Bureau will also mail a copy of this *Notice* to each of the petitioners listed in the Appendix.

This *Notice* also reminds these petitioners of their obligations to comply with the FCC's closed captioning requirements contained in Part 79 of the Commission's rules with regard to the programming that was the subject of their petitions by May 28, 2014, which is 90 days after the release of this *Notice* of dismissal.
