NOTICE OF APPARENT LIABILITY FOR FORFEITURE

Adopted: March 18, 2014

Released: March 18, 2014

By the Chief, Video Division, Media Bureau:

I. INTRODUCTION:

1. In this *Notice of Apparent Liability for Forfeiture* (“NAL”) issued pursuant to Section 503(b) of the Communications Act of 1934, as amended (the “Act”), and Section 1.80 of the Commission’s Rules (the “Rules”),¹ the Commission finds that KRBK LLC (the “Licensee”), licensee of Station KRBK(TV), Osage Beach, Missouri (the “Station”), apparently willfully and/or repeatedly violated Section 73.3526(e)(11)(iii) of the Rules² by failing to file with the Commission in a timely manner Children’s Television Programming Reports (FCC Form 398) for three quarters. Based upon our review of the facts and circumstances before us, we conclude that the Licensee is liable for a monetary forfeiture in the amount of three thousand dollars (\$3,000).

II. BACKGROUND:

2. Section 73.3526 of the Rules requires each commercial broadcast licensee to maintain a public inspection file containing specific types of information related to station operations.³ As set forth in subsection 73.3526(e)(11)(iii), each commercial television licensee is required to prepare and place in its public inspection file a Children’s Television Programming Report (FCC Form 398) for each calendar quarter reflecting, *inter alia*, the efforts that it made during that quarter to serve the educational and informational needs of children. That subsection also requires licensees to file reports with the Commission and place them in their public file by the tenth day of the succeeding calendar quarter, and to publicize the existence and location of the reports.⁴

3. On September 26, 2013, the Licensee filed its license renewal application for the Station.⁵ In Exhibits 20 of the license’s renewal application, the Licensee stated that during the previous license

term it failed to comply with the reporting deadlines for filing Children's Television Programming Reports as required in Section 73.3526(e)(11)(iii) of the Rules.⁶ The Licensee reported that three Children's Television Programming Reports for the Station in the preceding license term were filed late.⁷

III. DISCUSSION

4. The Licensee failed to file with the Commission in a timely manner its Children's Television Programming Reports for three quarters. These late filings constitute apparent willful and/or repeated violations of Section 73.3526(e)(11)(iii) of the Rules.

5. This *NAL* is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, any person who is determined by the Commission to have willfully and/or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.⁸ Section 312(f)(1) of the Act defines willful as "the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate" the law.⁹ The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,¹⁰ and the Commission has so interpreted the term in the Section 503(b) context.¹¹ Section 312(f)(2) of the Act provides that "[t]he term 'repeated,' when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day."¹²

6. The Commission's *Forfeiture Policy Statement* and Section 1.80(b) of the Rules establish a base forfeiture amount of \$3,000 for failure to file a required form.¹³ In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in Section 503(b)(2)(D) of the Act, including "the nature, circumstances, extent, and gravity of the violation and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require."¹⁴ In this case, the licensee failed to file its Children's Television Programming Reports in a timely manner for 3 quarters, ranging from twenty-three days late to just under six months late. Based on our review of the facts and circumstances here, we find

⁶ The Licensee also admits in Exhibit 20 of its license renewal application that it failed to prepare in a timely manner its issues and programs lists and commercial limit certifications for fourth quarter 2009 and first quarter 2010, as well as upload to its electronic public file its commercial limit certification for fourth quarter 2012. The Licensee has subsequently prepared and uploaded all of relevant documents. In light of the circumstances and licensee's forthrightness we find these apparent violations to be *de minimis*. However, we do not rule out more severe sanctions for violations of this nature in the future.

⁷ During the preceding license term, the Licensee self-reported the late filing of Children's Programming Reports for: first quarter 2010; third quarter 2010; and fourth quarter 2010.
