COMMENTS INVITED ON APPLICATION OF AT&T SERVICES, INC. ON BEHALF OF AT&T CORP. TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 14-89
Comp. Pol. File No. 1158

Comments Due: June 25, 2014

Section 214 Application

Applicant: AT&T Services, Inc. on behalf of AT&T Corp.

On **June 2, 2014**, **AT&T Services, Inc.** (AT&T or Applicant) filed an application with the Federal Communications Commission (FCC or Commission) on behalf of its affiliate, **AT&T Corp.**, located at **225 W. Randolph Street, Z1-Office 12C, Chicago, IL 60606**, requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue certain domestic telecommunications services throughout the United States including the District of Columbia and Puerto Rico (Service Areas).¹

AT&T indicates that AT&T Corp. currently offers AT&T Business Directory Assistance Services (Affected Services) in the Service Areas. AT&T explains that the Affected Services have been offered to businesses with PBX telephone systems as a means to provide telephone listings through the businesses' telephone systems. AT&T describes the Affected Services as directory services that allow callers to obtain telephone numbers for locations in the continental United States, Alaska, Hawaii, Puerto Rico, and Canada. According to AT&T, the services are offered in a Basic or Enhanced Directory Assistance option. AT&T indicates that both options include Local, National and Reverse Directory Assistance, Business Category Search and Directory Assistance Call Completion Operator Services, while the Enhanced Directory Assistance option also includes stock quotes, weather, and movie listings. AT&T states, however, that AT&T Corp. plans to discontinue these services and no longer offer them in the Service Areas on or after July 1, 2014, subject to Commission authorization.² AT&T maintains that the public convenience and necessity will not be impaired by the proposed discontinuance because there are alternative services available and customers will be able to reprogram their PBX and continue to have access to directory assistance services by dialing 411 or (NPA) 555-1212. AT&T states that AT&T Corp. notified its customers of the proposed discontinuance by letters sent via U.S. Mail on April 10, 2014. AT&T asserts that AT&T Corp. is considered a non-dominant carrier with respect to these services.

¹ The Competition Policy Division of the Wireline Competition Bureau subsequently received the filed application on June 3, 2014.

² Discontinuance of international service is governed by section 63.19 of the Commission's rules. See 47 C.F.R. § 63.19.

In accordance with section 63.71(c) of the Commission's rules, AT&T's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies AT&T that the grant will not be automatically effective. In the application, AT&T indicates that AT&T Corp. plans to discontinue the Affected Services and no longer offer them in the Service Areas on or after July 1, 2014, subject to Commission authorization. Accordingly, pursuant to section 63.71(c) and the terms of the application as applicable, absent further Commission action, AT&T Corp. may discontinue its AT&T Business Directory Assistance Services in the Service Areas on or after **July 11, 2014**. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

Comments objecting to this application must be filed with the Commission on or before **June 25, 2014**. Such comments should refer to **WC Docket No. 14-89 and Comp. Pol. File No. 1158**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service. Comments may be filed using the Commission's Electronic Comment Filing System (ECFS) or by filing paper copies. See *Electronic Filing of Documents in Rulemaking Proceedings*, 63 FR 24121 (1998).
