ORDER AND ORDER ON RECONSIDERATION

Adopted: June 25, 2014

By the Acting Chief, Telecommunications Access Policy Division, Wireline Competition Bureau:

1. Consistent with precedent, we grant 10 requests and deny seven requests from petitioners seeking waivers and/or review of decisions made by the Universal Service Administrative Company (USAC) under the E-rate program (more formally known as the schools and libraries universal service support program). In each case, USAC did not allow the petitioners to make changes to their applications after the close of the E-rate funding window, although the petitioners claim such changes were ministerial or clerical errors. We also dismiss one petition for reconsideration of the Wireline Competition Bureau’s (Bureau) Alexander County Order.

2. Based on our review of the record, we find that good cause exists to justify a waiver of section 54.504(a) of the Commission’s rules to permit the applicants identified in Appendix A to correct

3 See Appendix B.

4 Section 54.719(c) of the Commission’s rules provides that any person aggrieved by an action taken by a division of USAC may seek review from the Commission. 47 C.F.R. § 54.719(c).

5 See Appendix C; Request for Waiver and Review of Decisions of the Universal Service Administrator by Alexander County School District et al.; Schools and Libraries Universal Service Support Mechanism, CC Docket No. 02-6, Order, 28 FCC Rcd 8492 (Wireline Comp. Bur. 2013) (Alexander County Order) (denying petitioner’s request for review because it sought to make changes to its E-rate application that were more than corrections of ministerial or clerical errors). The Bureau has the authority to act on petitions requesting reconsideration of final actions taken pursuant to delegated authority. 47 C.F.R. § 1.106(a)(1).
the ministerial or clerical errors they made on their E-rate applications also identified in Appendix A. 6
We therefore grant the requests for review and/or waiver identified in Appendix A. 7

3. We find that the petitioners identified in Appendix B sought to make changes to their E-rate
applications, also identified in Appendix B, that were more than ministerial or clerical, and those
petitioners have not otherwise demonstrated that good cause exists to justify a waiver of the
Commission’s rules. 5 We therefore deny those petitioners’ requests for review and/or waiver. We also
dismiss the petition for reconsideration identified in Appendix C because it fails to identify any material
error, omission, or reason warranting reconsideration, and relies on arguments that have been fully
considered and rejected by the Bureau within the same proceeding. 9

4. Consistent with precedent, 10 we also waive section 54.720(a) of the Commission’s rules,
which requires applicants to seek review of a USAC decision within 60 days, for Nash-Rocky Mount
School District (Nash-Rocky Mount). 11 We find that Nash-Rocky Mount submitted its appeal to the
Commission within a reasonable period of time after receiving actual notice of the adverse decision by
USAC. 12

5. We therefore remand the underlying applications listed in Appendix A to USAC for further
action consistent with this Order. To ensure that the underlying applications are resolved expeditiously,
we direct USAC to complete its review of each application listed in Appendix A and issue a funding
commitment or a denial based on a complete review and analysis no later than 90 calendar days from the
release date of this Order. In remanding these applications to USAC, we make no finding as to the
ultimate eligibility of the services or the petitioners’ applications. We also waive section 54.507(d) of the
Commission’s rules and direct USAC to waive any procedural deadline, such as the invoicing deadline,
that might be necessary to effectuate our ruling. 13 We find good cause to waive section 54.507(d) because

6 See Appendix A. 47 C.F.R. § 54.504(a) (requiring applicants to submit a completed FCC Form 471 to USAC).
Applications filed before the close of the annual funding window are all treated as if they were filed at the same
time. 47 C.F.R. § 54.507(c). Funding requests filed after the close of the window, whether as new applications or
modifications to previously filed applications, are treated as filed on the date of filing. Applications filed after the
funding window are almost certain to go unfunded, because requests filed by the close of the window usually
exhaust the available funds.

7 Generally, the Commission’s rules may be waived if good cause is shown. 47 C.F.R. § 1.3. The Commission may
exercise its discretion to waive a rule where the particular facts make strict compliance inconsistent with the public
In addition, the Commission may take into account considerations of hardship, equity, or more effective
implementation of overall policy on an individual basis. WAIT Radio v. FCC, 418 F.2d 1153, 1159 (D.C. Cir.
1969); Northeast Cellular, 897 F.2d at 1166. Waiver of the Commission’s rules is appropriate only if both (i)
special circumstances warrant a deviation from the general rule, and (ii) such deviation will serve the public interest.

10 See Erie I BOCES Order, 28 FCC Rcd at 13382, para. 2 (granting petitioner a waiver of the Commission’s filing
deadline for appeals because it submitted its appeal to the Commission within a reasonable period of time after
receiving actual notice of USAC’s adverse decisions).

filing an appeal of a denial is likely to cause petitioners to miss the program’s subsequent procedural deadlines in that funding year.

6. ACCORDINGLY, IT IS ORDERED, pursuant to the authority contained in sections 1-4 and 254 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 151-154 and 254, and sections 0.91, 0.291, 1.3 and 54.722(a) of the Commission’s rules, 47 C.F.R. §§ 0.91, 0.291, 1.3 and 54.722(a), that sections 54.504(a) and 54.507(d) of the Commission’s rules, 47 C.F.R. §§ 54.504(a) and 54.507(d), ARE WAIVED for the petitioners listed in Appendix A to the limited extent provided herein.

8. IT IS FURTHER ORDERED, pursuant to the authority contained in sections 1-4 and 254 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 151-154 and 254, and sections 0.91, 0.291, 1.3 and 54.722(a) of the Commission’s rules, 47 C.F.R. §§ 0.91, 0.291, 1.3 and 54.722(a), that the requests for review or requests for waiver filed by the petitioners identified in Appendix A ARE GRANTED, and their underlying applications ARE REMANDED to USAC for further consideration in accordance with the terms of this Order.

9. IT IS FURTHER ORDERED, pursuant to the authority contained in sections 1-4 and 254 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 151-154 and 254, and sections 0.91, 0.291, 1.3, and 54.722(a) of the Commission’s rules, 47 C.F.R. §§ 0.91, 0.291, 1.3, and 54.722(a) that the requests for review or requests for waiver filed by the petitioners listed in Appendix B ARE DENIED.

10.
