ORDER

Adopted: September 15, 2015

Released: September 15, 2015

By the Chief, Media Bureau:

1. In this Order, we adopt the attached Consent Decree entered into between the Media Bureau (the “Bureau”) of the Federal Communications Commission (the “Commission”) and Entravision Holdings, LLC (the “Licensee”), licensee of station KXFX-CD, Brownsville, Texas (the “Station”). Currently pending before the Commission is an application for renewal of the Station’s license (FCC Form 303-S) and the Licensee’s response to the Video Division’s Order to Show Cause (“Reclassification Proceeding”) why the Class A authorization for station KXFX-CD should not be modified to low power television status.²

2. The Bureau and the Licensee have negotiated the terms of the Consent Decree that terminate the above-referenced matters. After reviewing the terms of the Consent Decree and evaluating the facts before us, we find that the public interest would be served by adopting the Consent Decree. A copy of the Consent Decree is attached and incorporated by reference.

3. In the absence of new material evidence relating to this matter, we conclude that the matters referenced above raise no substantial or material questions of fact as to whether the Licensee possesses the basic qualifications to hold a Commission license and that grant of the above-captioned pending license renewal application is consistent with Section 309(k) of the Communications of 1934, as amended (the “Act”).³ We have further examined the record surrounding the Reclassification Proceeding

¹ See *Reclassification of License of Class A Television Station KVTF-CA, Brownsville, Texas*, Order to Show Cause, 27 FCC Rcd 3225 (Vid. Div. MB 2012) (*Order to Show Cause*). The call sign for station KVTF-CA was changed to KXFX-CA on May 2, 2012. It was further changed to KXFX-CD on June 3, 2015.

² *Order to Show Cause* at 3225.

³ Section 309(k)(1) of the Act states that the Commission shall grant a license renewal application “if it finds, with respect to that station, during the preceding term of its license—(a) the station has served the public interest, convenience, and necessity; (b) there have been no serious violations by the licensee of the Act or Commission rules and regulations; and (c) there have been no other violations by the licensee of the Act or Commission rules or regulations which, taken together, would constitute a pattern of abuse.” 47 U.S.C. § 309(k)(1). Section 309(k) of the Act states, however, that if the licensee fails to meet this three part standard, the Commission may deny the application—after notice and comment, and opportunity for hearing under Section 309(e) of the Act—“or grant the application on terms and conditions as are appropriate. . . .” 47 U.S.C. §§ 309(k)(2) and 309(k)(3).

and find that, pursuant to Section 316(a) of the Act, changing the status for station KXFX-CD would not serve the public interest.

4. Accordingly, **IT IS ORDERED** that, pursuant to Sections 4(i), 4(j), and 503(b) of the Communications Act of 1934, as amended,⁴ and Sections 0.111 and 0.311 of the Commission's Rules,⁵ the Consent Decree attached to this Order **IS ADOPTED**.

5. **IT IS FURTHER ORDERED** that, pursuant to Section 309(k) of the Communications Act of 1934,⁶ the application to renew the broadcast license of KXFX-CD, Brownsville, Texas, BRTTA-20140331AGP, **IS GRANTED**.

6. **IT IS FURTHER ORDERED** that, pursuant to Sections 4(i) and 316 of the Communications Act⁷ and Section 1.87 of the Commission's rules,⁸ the KXFX-CD Reclassification Proceeding⁹ **IS TERMINATED**.

7. **IT IS FURTHER ORDERED** that a copy of this Order and Consent Decree shall be sent by both First Class mail and Certified Mail, Return Receipt Requested, to Licensee's counsel, Barry A. Friedman, Esq., Thompson Hine LLP, 1919 M Street, NW, Suite 700, Washington, DC 20036.

II. DISCUSSION

3. On April 3, 2012, the Division released an Order to Show Cause requesting that Entravision demonstrate why the Class A authorization for station KXFX-CD should not be modified to low power television status for failure to meet its ongoing Class A eligibility requirements.³ Section 316(a) of the Act permits the Commission to modify a station authorization if such action is in the public interest.⁴ Commission records indicate that the Station was off the air for almost all of the time period from June 22, 2010 through May 29, 2012, and that Entravision failed to file timely a request for special temporary authority when it went off the air on June 15, 2011.⁵ According to Entravision, the reason for the silence was due to unique facts attendant to its border location, and the limited availability of operating channels owing to the operation of authorized Mexican broadcast stations.⁶

⁶ Entravision Response to Order to Show Cause (filed May 7, 2012).

4. On March 31, 2012, Entravision filed its license renewal application (FCC Form 303-S) with the Commission.⁷ In the process of evaluating the application, the Bureau identified numerous potential violations of the Commission's Public File Rules, which are outlined below.

5. Section 73.3526 of the Rules requires each commercial broadcast licensee to maintain a public inspection file containing specific types of information related to station operations. Subsection 73.3526(e)(11)(i) of the Rules requires every commercial television and Class A licensee to place in its public inspection file, on a quarterly basis, a list of issues and programs "that have provided the station's most significant treatment of community issues during the preceding three month period."⁸ Copies of the issues and programs lists must be "retained in the public inspection file until final action has been taken on the station's next license renewal application."⁹ Pursuant to subsection 73.3526(b)(2) of the Rules, a station's issues and programs lists must also be uploaded to a Commission-hosted website.¹⁰ During the current license period, Entravision appears to have failed to file the quarterly issues and programs lists on a timely basis.

6. Subsection 73.3526(e)(11)(ii) of the Rules requires each commercial television and Class A licensee to prepare and place in its public inspection file, on a quarterly basis, records sufficient to substantiate the Station's certification, in its license renewal application, of compliance with the commercial limits on children's programming.¹¹ That subsection also requires licensees to file the reports with the Commission by the tenth day after the close of the reporting quarter.¹² During the current license period, Entravision failed to file its children's commercial limit certifications in a timely manner for numerous quarters.

7. Subsection 73.3526(e)(11)(iii) of the Rules requires each commercial television and Class A licensee to prepare and place in its public inspection file a Children's Television Programming Report (FCC Form 398) for each calendar quarter reflecting, *inter alia*, the efforts that it made during the quarter to serve the educational and informational needs of children. That subsection also requires licensees to file the reports with the Commission by the tenth day after the close of the reporting quarter.¹³ During the current license period, Entravision failed to file its Children's Television Programming Reports (FCC Form 398) in a timely manner for numerous quarters.

8. Subsection 73.3526(e)(17) of the Rules requires each licensee of a Class A television station to provide documentation sufficient to demonstrate that it is continuing to meet the eligibility requirements set forth in Section 73.6001 of the Rules. During the current license period, Entravision failed to consistently file Class A certifications for the Station at appropriate times.

9. In addition, subsection 73.3514(a) of the Rules provides that “[e]ach application shall include all information called for by the particular form on which the application is required to be filed”¹⁴ Section IV, Question 3 of the license renewal application requires the licensee to certify that during the license term it has placed all documents required by Section 73.3526 of the Commission’s rules into the Station’s public file at appropriate times.¹⁵ Section IV, Question 6 of the application requires the licensee to certify that during the license term it has filed with the Commission all of its Children’s Television Programming Reports (FCC Form 398).¹⁶ In response to Questions 3 and 6 in its license renewal application, Entravision certified that it had placed all required documents in its public inspection file at the appropriate times. However, Entravision failed to disclose in the application that it did not file all of its public file documents required by 47 C.F.R. § 73.3526, including its Children’s Television Programming Reports, at the appropriate times.

10. Entravision agrees to comply with the Rules moving forward.

III. TERMS OF AGREEMENT

11. **Adopting Order.** The Parties agree that the provisions of this Consent Decree shall be subject to final approval by the Bureau by incorporation of such provisions by reference in the Adopting Order.

12. **Jurisdiction.** Entravision agrees that the Bureau has jurisdiction over it and the matters contained in this Consent Decree and that the Bureau has the authority to enter into and adopt this Consent Decree.

13. **Effective Date; Violations.** The Parties agree that this Consent Decree shall become effective on the Effective Date as defined herein. As of the Effective Date, the Adopting Order and this Consent Decree shall have the same force and effect as any other order of the Commission. Any violation of the Adopting Order or of the terms of this Consent Decree shall constitute a separate violation of a Commission order, entitling the Commission to exercise any rights and remedies attendant to the enforcement of a Commission order.

14. **Termination of Investigation; Grant of Renewal Application.** In express reliance on the covenants and representations in this Consent Decree and to avoid further expenditure of public resources, the Bureau agrees to terminate the Investigation. In consideration for the termination of the Investigation, Entravision agrees to the terms and conditions contained herein. Furthermore, pursuant to Section 309(k)(2) of the Act, the Bureau agrees to grant, in conjunction and simultaneously with the adoption of this Consent Decree, the Station’s Renewal Application, without any additional conditions beyond those set forth herein. The Bureau further agrees that in the absence of new material evidence, the Bureau will not use the facts developed in this Investigation through the Effective Date, or the existence of this Consent Decree, to institute on its own motion any new proceeding, formal or informal, or take any action on its own motion against Entravision concerning the matters that were the subject of the Investigation. The Bureau also agrees that in the absence of new material evidence it will not use the facts developed in the Investigation through the Effective Date, or the existence of this Consent Decree, to institute on its own motion any proceeding, formal or informal, or take any action on its own motion

against Entravision with respect to Entravision's basic qualifications, including its character qualifications, to be a Commission licensee or to hold Commission licenses or authorizations.

15. **Subsequent Investigations.** Nothing in this Consent Decree shall prevent the Commission or its delegated authority from adjudicating complaints or other adjudicatory pleadings filed against Entravision or its affiliates for alleged violations of the Act or the Commission's rules or for any other type of alleged misconduct, regardless of when such misconduct took place. The Commission's adjudication of any such complaints will be based solely on the record developed in that proceeding. Except as expressly provided in this Consent Decree, this Consent Decree shall not prevent the Commission from investigating new evidence of noncompliance by Entravision with the Communications Laws. It shall also not prevent the Commission or its delegated authority from determining whether reclassification of the station's status from Class A to low-power would be consistent with Section 316(a) of the Act in the future should new facts or evidence occurring subsequent to the release date of this Consent Decree come to light. Specifically, by issuance of this Consent Decree, the Commission reminds Entravision that the *Class A Memorandum Opinion and Order on Reconsideration* has concluded that all Class A television licensees have a continuing eligibility requirement, and that the failure to meet this requirement may result in loss of Class A status.¹⁷

16. **Voluntary Contribution.** Entravision agrees that it will make a voluntary contribution to the United States Treasury in the amount of thirty thousand dollars (\$30,000.00) within thirty (30) calendar days after the Effective Date. Entravision shall also send electronic notification of payment to Jeremy Miller at jeremy.miller@fcc.gov on the date said payment is made. The payment must be made by check or similar instrument, wire transfer, or credit card, and must include the Account number and FRN referenced above. Regardless of the form of payment, a completed FCC Form 159 (Remittance Advice) must be submitted.¹⁸ When completing the FCC Form 159, enter the Account Number in block number 23A (call sign/other ID) and enter the letters "FORF" in block number 24A (payment type code). Below are additional instructions you should follow based on the form of payment you select:¹⁹

17. **Waivers.** Entravision waives any and all rights it may have to seek administrative or judicial reconsideration, review, appeal or stay, or to otherwise challenge or contest the validity of this Consent Decree and the Adopting Order, provided the Bureau issues an Adopting Order as defined herein. Entravision shall retain the right to challenge Commission interpretation of the Consent Decree or any terms contained herein. If either Party (or the United States on behalf of the Commission) brings a judicial action to enforce the terms of the Adopting Order, neither Entravision nor the Commission shall contest the validity of the Consent Decree or the Adopting Order, and Entravision shall waive any statutory right to a trial *de novo*. Entravision hereby agrees to waive any claims it may have under the Equal Access to Justice Act, 5 U.S.C. § 504 and 47 C.F.R. § 1.1501 *et seq.*, relating to the matters addressed in this Consent Decree.

18. **Liability.** Entravision admits, solely for the purpose of this Consent Decree and for Commission civil enforcement purposes, and in express reliance on the provisions of paragraph 13 hereof, that the facts discussed in paragraphs 3-9 above constitute violations of Sections 73.3526(b)(2), 73.3526(e)(11)(i), 73.3526(e)(11)(ii), 73.3526(e)(11)(iii), 73.3526(e)(17), and 73.3514(a) of the Rules. Notwithstanding any other provision of this Consent Decree, it is expressly agreed and understood that if this Consent Decree, or paragraph 13 hereof, or both, are breached by the Bureau, or are invalidated or modified to Entravision's prejudice by the Commission, Bureau, or any court, then and in that event the provisions of the immediately-preceding sentence shall be of no force or effect whatever, and Entravision shall not, by virtue of that sentence or any other provision of this Consent Decree, be deemed to have made any admission concerning violations of Sections 73.3526(b)(2), 73.3526(e)(11)(i), 73.3526(e)(11)(ii), 73.3526(e)(11)(iii), 73.3526(e)(17), and 73.3514(a) of the Rules.

19. **Invalidity.** In the event that this Consent Decree in its entirety is rendered invalid by any court of competent jurisdiction, it shall become null and void and may not be used in any manner in any legal proceeding.

20. **Subsequent Rule or Order.** The Parties agree that if any provision of the Consent Decree conflicts with any subsequent rule or order adopted by the Commission (except an order specifically intended to revise the terms of this Consent Decree to which Entravision does not expressly consent) that provision will be superseded by such rule or Commission order.

21. **Successors and Assigns.** Entravision agrees that the provisions of this Consent Decree shall be binding on its successors, assigns, and transferees.

22. **Final Settlement.** The Parties agree and acknowledge that this Consent Decree shall constitute a final settlement between the Parties with respect to the Investigation.

23. **Modifications.** This Consent Decree cannot be modified without the advance written consent of both Parties.

24. **Paragraph Headings.** The headings of the paragraphs in this Consent Decree are inserted for convenience only and are not intended to affect the meaning or interpretation of this Consent Decree.
