**PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ANNOUNCES  
REGION 43 (WASHINGTON STATE) PUBLIC SAFETY REGIONAL PLANNING  
COMMITTEE TO HOLD 700 MHZ PLANNING MEETING**

**WT Docket 02-378**

The Region 43 (Washington State) 700 MHz Regional Planning Committee (RPC) will hold a planning meeting on Wednesday, October 28, 2015. Beginning at 10:00 a.m., the RPC will convene at the offices of Stantec, 4100 194th Street SW, Suite 400, Lynnwood WA 98036-4613.

The agenda for the 700 MHz RPC meeting includes:

- Welcome and Introduction - 10:00 a.m.-10:15 a.m.
- Review/Approval of Revised Region 43 700 MHz Plan for Submission to the FCC - 10:15 a.m.-11:00 a.m.

All Region 43 RPC meetings are open to the public. All eligible public safety providers in Region 43 may utilize these frequencies. It is essential that eligible public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in the planning for the use of public safety spectrum in the 700 MHz band within Region 43 (Washington State) should plan to attend. For further information, please contact:
