ORDER

Adopted: October 26, 2015

Released: October 26, 2015

By the Chief, Media Bureau:

1. In this Order, we adopt the attached Consent Decree entered into between International Broadcasting Corporation (“IBC”) the licensee of the television and radio stations listed in Appendix A,¹ Mr. Angel O. Roman Lopez, Ms. Ruth E. Roman Lopez (collectively the “Parties”) and the Media Bureau (“Bureau”) of the Federal Communications Commission (“Commission”). The Consent Decree resolves multiple investigations related to: (1) Section 310 of the Communications Act of 1934, as amended (the “Act”), and Section 73.3540 of the Rules involving the potential unauthorized transfer of control of the television and radio stations listed in Appendix A;² (2) Section 73.3555 of the Rules³ due to potential violations of the Commission’s multiple ownership rules that may have resulted from the unauthorized transfer of control of the television and radio stations listed in Appendix A, as well as Mr. Lopez and Ms. Lopez’s ownership interest in Aerco Broadcasting, licensee of radio station WQBS(AM), San Juan,

¹ All stations listed in Appendix A are licensed to IBC except WVOZ(AM), San Juan, Puerto Rico, which is licensed in the name of Mr. Pedro Roman Collazo (deceased). Mr. Collazo was the 100% interest holder in IBC.

² 47 U.S.C. § 310; 47 C.F.R. § 73.3540.

³ See generally 47 C.F.R. § 73.3555.

Puerto and television station WSJU-TV, San Juan, Puerto Rico;⁴ (3) Section 73.3555 of the Rules⁵ due to potential violations of the Commission's multiple ownership rules that may have resulted from a time brokerage agreement entered into between IBC and Spanish Broadcasting System involving Stations WIOA(FM), San Juan, Puerto Rico, WIOA-FM1, Ceiba, Puerto Rico, WIOC(FM), Ponce, Puerto Rico, and WZET(FM), Hormigueros, Puerto Rico, all of which are licensed to SBS;⁶ and (4) Section 73.3526 of the Commission's Rules for IBC's failure to maintain adequate local public inspection files for its television stations, including the preparation of quarterly TV issues/program lists.⁷

2. The Bureau and the Parties have negotiated the terms of the Consent Decree that terminates all investigations into the above referenced matters. After reviewing the terms of the Consent Decree and evaluating the facts before us, we find that the public interest would be served by adopting the Consent Decree. As part of the Consent Decree, IBC has agreed to make a voluntary contribution of \$61,500 (sixty-one thousand, five hundred dollars) to the U.S. Treasury, as well as a Compliance Plan to ensure future compliance with the Rules and the Act. A copy of the Consent Decree is attached and incorporated by reference.

3. In light of the foregoing we find that grant of IBC's pending broadcast television license renewal applications are appropriate under Section 309(k)(2) of the Act.⁸ As a result, we need not determine whether IBC has committed "serious violations" of our rules or violations that constituted a "pattern of abuse" for purposes of Section 309(k)(1) of the Act.⁹ Therefore, we conclude that there are no substantial and material questions of fact at issue and grant the broadcast television license renewal applications for Stations WVEO(TV), Aguadilla, Puerto Rico; WVOZ-TV, Ponce, Puerto Rico; and WTCV(TV), San Juan, Puerto Rico, subject to the specific representations and commitments contained in the Consent Decree. We also conclude that as a result of the Consent Decree the matters referenced above do not raise any substantial or material questions of fact as to whether the Licensee possesses the basic qualifications, including those related to character, to hold a Commission license or authorization.

⁴ Mr. Lopez has a 100% voting interest and a 50% equity interest in Aerco Broadcasting. His sister, Ms. Ruth E. Roman Lopez has a 50% equity interest in Aerco Broadcasting. See FCC File No. BOA-20131021AGH.

⁵ See generally 47 C.F.R. § 73.3555.

⁶ The applications related to this transaction will be acted on in a separate proceeding. These applications are captioned solely for the purpose of addressing the potential violation of the Commission's local radio ownership rule, 47 C.F.R. § 73.3555(a), resulting from a time brokerage agreement ("TBA"). While the parties have not terminated the TBA, they have amended it to state that the TBA will terminate upon consummation of the transaction, termination of the Asset Purchase/Swap Agreement, or one year from exercise of the Option Agreement, whichever occurs first. See e.g., File No. BALH-20150810ADQ, Attachment 5 ("First Amendment to Radio Programming Agreement").

⁷ See generally 47 C.F.R. § 73.3526.

⁸ 47 U.S.C. § 309(k). Section 309(k) of the Act provides that if, upon consideration of the application and pleadings, we find that (1) the station has served the public interest, convenience, and necessity; (2) there have been no serious violations of the Act or the Rules; and (3) there have been no other violations which, taken together, constitute a pattern of abuse, we are to grant the renewal application. If, however, the licensee fails to meet that standard, the Commission may deny the application—after notice and opportunity for a hearing under Section 309(e) of the Act, 47 U.S.C. § 309(e)—or grant the application "on terms and conditions that are appropriate, including a renewal for a term less than the maximum otherwise permitted." 47 U.S.C. § 309(k)(2).

⁹ See 47 U.S.C. §§309(k)(1),(2): *Shareholders of Univision Communications Inc.*, Memorandum Opinion and Order, 22 FCC Rcd 5842, 5859, n. 113 (2007).

4. Accordingly, **IT IS ORDERED** that, pursuant to Sections 4(i), 4(j), and 503(b) of the Communications Act of 1934, as amended,¹⁰ and Sections 0.111 and 0.311 of the Commission's Rules,¹¹ the Consent Decree attached to this Order **IS ADOPTED**.

5. **IT IS FURTHER ORDERED** that, pursuant to Section 309(k)(2) of the Communications Act of 1934,¹² the applications to renew the broadcast licenses of Stations WVEO(TV), Aguadilla, Puerto Rico (File No. BRCDT-20121001AVQ); WVOZ-TV, Ponce, Puerto Rico (File No. BRCDT-20121001AVR); and WTCV(TV), San Juan, Puerto Rico (File No. BRCDT-20121001AVL), **ARE GRANTED**.

6. **IT IS FURTHER ORDERED** that, the applications for the involuntary transfer of control of International Broadcasting Corporation, Inc. to Mr. Angel O. Roman Lopez as legal guardian, as listed in Appendix B, **ARE DISMISSED** as moot.

7. **IT IS FURTHER ORDERED** that, the application for the involuntary assignment of Station WVOZ(AM), San Juan, Puerto Rico from Mr. Pedro Roman Collazo to Mr. Angel O. Roman Lopez as legal guardian, as listed in Appendix B, **IS DISMISSED** as moot.

8. **IT IS FURTHER ORDERED** that, a copy of this Order and Consent Decree shall be sent by both First Class mail and Certified Mail, Return Receipt Requested, to Licensee's counsel, Davina Sashkin, Esq., Fletcher, Heald & Hildreth, 1300 N. 17th Street, Suite 1100, Arlington, Virginia, 22209.

II. DISCUSSION

A. Involuntary Transfer Applications and Transfer of Control Applications

3. Mr. Pedro Roman Collazo (deceased) is the name licensee of WVOZ(AM), San Juan, Puerto Rico and the sole member of IBC, which is the licensee of two FM stations, five AM stations and three full power television stations (two of which are considered satellite stations). On April 25, 2011, Mr. Angel Roman Lopez petitioned a court of competent jurisdiction in the Commonwealth of Puerto Rico requesting that Mr. Collazo, his uncle, be declared disabled and that Mr. Lopez be appointed his legal guardian. According to expert testimony cited in the Court Order, Mr. Collazo had been diagnosed with dementia resulting from Alzheimers and was unable to meet his basic needs or identify and value his assets. On October 3, 2011, the court appointed Mr. Lopez legal guardian for Mr. Collazo.³

4. On December 12, 2011, over two months after Mr. Lopez was appointed legal guardian, the Involuntary Transfer Applications were filed requesting Commission consent to involuntary transfer a controlling interest in the Stations from Mr. Collazo to his nephew Mr. Lopez. Mr. Lopez has an attributable interest in Aerco Broadcasting Corporation, the licensee of radio station WQBS(AM), San Juan, Puerto Rico (“WQBS”) and television station WSJU-TV, San Juan, Puerto Rico (“WSJU-TV”).⁴ Shortly after filing Division staff inquired with counsel for IBC by phone as to the open-ended nature of Mr. Lopez’s court appointment as legal guardian, especially in light of his ownership interests in WQBS and WSJU-TV. As part of this inquiry Division staff requested a showing addressing whether any multiple ownership rules would be violated if Mr. Lopez were to control the Stations in addition to his interests in WQBS and WSJU-TV. Such a showing was never provided and as a result the Involuntary Transfer Applications remained pending.⁵

5. On February 9, 2012, the Commission received a letter from counsel for IBC notifying the Commission that on February 2, 2012, Mr. Collazo passed away. The letter stated that “additional information concerning the ownership of Sr. Collazo’s stations will be provided to the Commission when it becomes available.”⁶ No further information concerning ownership of the Stations was filed with the Commission until January 11, 2014, when the Transfer Applications were filed requesting Commission consent to transfer the control of the Stations from Mr. Collazo to his court appointed heirs: Mr. Lopez and Mr. Collazo’s niece Ms. Ruth Roman Lopez.⁷ Following several telephone conversations and e-mail

⁵ IBC contends that the first contact by Division staff regarding the sufficiency of the Involuntary Transfer Applications was not made until the fall of 2013. Transfer Application at Attachment 1 (“Explanation of Control and Timeline”). This Consent Decree negates the need to determine precisely when a request for information was made and if in fact IBC failed to respond to a request for information by Commission staff and as such the Adopting Order dismisses the Involuntary Transfer Applications as moot.

⁶ Letter from Richard F. Swift, Esq., counsel for International Broadcasting Corp. and Pedro Roman Collazo to Marlene H. Dortch, Secretary, Federal Communications Commission (filed Feb. 9, 2012).

⁷ Mr. Lopez and Ms. Lopez did not file an application to assign Station WVOZ(AM) out of Mr. Collazo’s name to either their names or IBC. As of the date of this item only an involuntary assignment application has been filed and granted to assign the license from Mr. Collazo to Mr. Lopez and Ms. Lopez as court appointed heirs. A subsequent long form assignment application will need to be filed to place the license either in the name of Mr. Lopez and Ms. Lopez as individuals or another entity, such as IBC. In addition the Transfer Applications will be acted on as part of a separate proceeding. Per the Adopting Order the Involuntary Transfer Applications have been dismissed as moot.

exchanges between staff and counsel for IBC, the Division sent a formal letter on February 24, 2015 outlining all issues preventing processing of the Transfer Applications and requesting that IBC file an amendment within thirty (30) days. The letter specifically requested revisions to the multiple ownership showings made in the Transfer Applications and requested clarification as to who has been in actual control of the Stations operations since December 2011. IBC filed a timely amendment and responded to all questions posed in the letter.

6. Upon review of the amended Transfer Applications it appears the actions of IBC, Mr. Lopez and Ms. Lopez not only have resulted in two unauthorized transfers of control of the Stations, but the combination of stations created by Mr. Lopez's existing interest in WBQS and WSJU-TV may have also resulted in violations of the Commission's multiple ownership rules.

7. According to the Transfer Applications, Mr. Lopez and Ms. Lopez were in fact declared heirs of Mr. Collazo's estate by a court of competent jurisdiction in the Commonwealth of Puerto Rico on August 10, 2012.⁸ This is approximately sixteen months before the Transfer Applications were filed. The Transfer Applications also state that because Mr. Collazo died intestate and no executor or trustee was named or appointed during the pendency of the court proceeding to determine Mr. Collazo's heirs, Mr. Lopez continued to control the Stations pursuant to his prior court appointment as legal guardian.⁹ Even if Puerto Rico law permitted Mr. Lopez, as the former legal guardian of Mr. Collazo, to continue to manage Mr. Collazo's assets and control the Stations following Mr. Collazo's death, the pending Involuntary Transfer Applications were not amended to reflect this fact nor in the alternative, was a new involuntary transfer of control application filed. IBC admits to this oversight in its Transfer Applications.¹⁰ Accordingly, an unauthorized transfer of control of the Stations may have occurred both immediately following the passing of Mr. Collazo in February 2012 and upon declaration of Mr. Lopez and Ms. Lopez as heirs to Mr. Collazo's estate in August 2012. Furthermore, as a result of one or both of these potential unauthorized transfers of control, possible violations of the Commission's multiple ownership rules may have occurred.

8. In the Transfer Applications IBC was required to demonstrate compliance with the Commission's local television ownership rule,¹¹ local radio ownership rule,¹² and radio-TV cross ownership rule.¹³ Since filing the Transfer Applications IBC has filed applications to assign its interests in two radio stations and all three of its television stations;¹⁴ however, violations of the Commission's

IBC has also requested consent for the assignment of stations WVEO(TV), Aguadilla, Puerto Rico; WVOZ-TV, Ponce, Puerto Rico; and WTCV(TV), San Juan, Puerto Rico as part of a station swap with Spanish Broadcasting System, in which IBC will receive stations WIOA(FM), San Juan, Puerto Rico, WIOA-FM1, Ceiba, Puerto Rico, WIOC(FM), Ponce, Puerto Rico, and WZET(FM), Hormigueros, Puerto Rico. multiple ownership rules may have already occurred following the potential unauthorized transfers of control in February 2012 and/or in August 2012.

9. On October 2, 2015, at the request of Division staff, new involuntary transfer of control applications were filed by Mr. Lopez and Ms. Lopez requesting Commission consent to the involuntary transfer of control of all interest in the Stations to Mr. Lopez and Ms. Lopez as court-declared heirs of Mr. Collazo's estate.¹⁵ In furtherance of the court's determination these applications were granted on October 9, 2015 by staff action. While grant and consummation of these applications may have stopped the continuing nature of the potential multiple ownership rule violations, it does not relieve IBC, Ms. Lopez or Mr. Lopez from liability for violations which may have already occurred.¹⁶

B. Time Brokerage Agreement

10. On September 1, 2014, IBC entered into an agreement with SBS providing SBS with an option to acquire Stations WVEO(TV), WVOZ-TV, and WTCV(TV). If SBS exercised its option, IBC would receive both monetary compensation and acquire Stations WIOA(FM), San Juan, Puerto Rico, WIOA-FM1, Ceiba, Puerto Rico, WIOC(FM), Ponce, Puerto Rico, and WZET(FM), Hormigueros, Puerto Rico, from SBS.¹⁷ On June 19, 2015, SBS provided notice to IBC of the exercise of its option. On August 10, 2015, SBS and IBC filed applications seeking consent to assign the licenses to the stations listed in the Agreement.¹⁸

11. Pursuant to Note 2(j) of Section 73.3555 of the Rules, "where two radio stations are located in the same market," as defined by the local radio ownership rule, "and a party (including all parties under common control) with a cognizable interest in one such station brokers more than 15 percent of time per week of the other such station, that party shall be treated as if it has an interest in the brokered station...."¹⁹ As part of the Agreement IBC and SBS entered into a TBA in which IBC would broker one-hundred percent (100%) of the programming and advertising for the aforementioned radio stations. At the time IBC entered in to the TBA, it had an attributable ownership interest in at least seven radio stations in Puerto Rico, eight if WQBS(AM) is included.²⁰

12. In the applications seeking to assign the radio stations from SBS, IBC contends that a waiver of the local radio ownership rule permitting it to own the stations along with its current radio licenses is appropriate.²¹ The Commission has determined that a station's Arbitron Metro market is the appropriate measure for assessing compliance with the local radio ownership rule.²² Therefore, for

purposes of the local radio ownership rule the entire island of Puerto Rico is treated as a single market.²³ However, IBC contends that Puerto Rico's geography supports a waiver of the local radio ownership rule by dividing the island into three markets for purposes of determining compliance, an approach that IBC states is consistent with Commission precedent.²⁴ While a waiver of the Commission's local radio ownership rule and use of the contour overlap approach may be warranted, IBC failed to make such a request at the time IBC and SBS entered into the TBA. This appears to have resulted in an ongoing violation of the Commission's local radio ownership rule.²⁵ Although grant and consummation of the transaction would stop the ongoing nature of the violation, as previously discussed, *post hoc* remedial action does not relieve a party of liability for violations that may have already occurred.²⁶

C. License Renewal Applications.

13. Upon submission of the License Renewal Applications, Division staff conducted a review of each application and each television station's online local public inspection file. Section 73.3526 of the Rules requires each commercial broadcast licensee to maintain a public inspection file containing specific types of information related to station operations.²⁷ In 2012 the Commission adopted rules requiring licensees to upload elements of stations' public files to an online Commission hosted website.²⁸ In particular, Section 73.3526(e)(11)(i) of the Rules requires every commercial television and Class A licensee to place in its public inspection file, on a quarterly basis, a list of issues and programs "that have provided the station's most significant treatment of community issues during the preceding three month period."²⁹ TV issues/programs lists must be placed in the Station's public file by the tenth day of the succeeding calendar quarter and copies must be retained until final action has been taken on the station's next license renewal application.³⁰

²³ Puerto Rico is rated as a single Arbitron Metro market. *See* Transfer Applications at Attachment 1 ("Radio Multiple Ownership Compliance Showing").

²⁵ IBC and SBS have amended the terms of the TBA to terminate upon either consummation of the transaction, termination of the Agreement, or one year after SBS exercised its option, whichever occurs first. *See e.g.*, File No. BALH-20150810ADQ, Attachment 5 ("First Amendment to Radio Programming Agreement").

14. During the preceding license period, IBC appears to have failed to prepare and/or place in its local public inspection file (online or physical) each television station's quarterly TV issues/programs lists from first quarter 2005 through fourth quarter 2011. This represents an apparent violation of the Commission's local public inspection file rule.³¹

III. TERMS OF AGREEMENT

15. **Adopting Order.** The Parties agree that the provisions of this Consent Decree shall be subject to final approval by the Bureau by incorporation of such provisions by reference in the Adopting Order.

16. **Jurisdiction.** IBC, Mr. Lopez, and Ms. Lopez agree that the Bureau has jurisdiction over them and the matters contained in this Consent Decree and that the Bureau has the authority to enter into and adopt this Consent Decree.
