WIRELINE COMPETITION BUREAU ANNOUNCES DEADLINE FOR EXISTING PROVIDERS TO NOTIFY AT&T THAT THEY SERVE CENSUS BLOCKS THAT AT&T PROPOSES TO SERVE WITH CONNECT AMERICA PHASE I INCREMENTAL SUPPORT

WC Docket No. 10-90

Notifications Due: March 16, 2015

On January 16, 2015, AT&T Inc. (AT&T) notified the Commission that it intends to modify its Connect America Phase I Round 2 (Phase I) incremental broadband deployment plans.¹ AT&T submitted with its notification a list of 7,931 census blocks that it had not previously identified with its initial election where it now intends to serve locations using Phase I incremental support.² Under the requirements for Phase I incremental support, other providers now have 45 days to indicate that they already serve those blocks, and AT&T must certify that to the best of its knowledge the locations it plans to serve are in fact unserved before it may commence construction. Existing providers therefore have **until March 16, 2015** to notify AT&T that they currently offer Internet service at speeds of 3 Mbps downstream and 768 kbps upstream or higher in the newly identified census blocks.³ A machine readable list of these census blocks is available at https://apps.fcc.gov/edocs_public/attachmatch/DA-15-118A2.xlsx.

This proceeding continues to be treated as a “permit-but-disclose” proceeding in accordance with the Commission’s *ex parte* rules.⁴ Persons making *ex parte* presentations must file a copy of any written presentation or a memorandum summarizing any oral presentation within two business days after the presentation (unless a different deadline applicable to the Sunshine period applies). Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must (1) list all

persons attending or otherwise participating in the meeting at which the *ex parte* presentation was made, and (2) summarize all data presented and arguments made during the presentation. If the presentation consisted in whole or in part of the presentation of data or arguments already reflected in the presenter's written comments, memoranda or other filings in the proceeding, the presenter may provide citations to such data or arguments in his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers where such data or arguments can be found) in lieu of summarizing them in the memorandum. Participants in this proceeding should familiarize themselves with the Commission's *ex parte* rules.
