**Re: Notice of Interim Default Payment Obligation for Auction 94 Construction Permits  
FM1033-A (Cotulla, TX) and FM1048-C1 (Presidio, TX)**

**DO NOT DISCARD THIS IMPORTANT NOTICE**  
**OF A DEMAND FOR PAYMENT**  
**OF A DEBT OWED THE UNITED STATES AND ORDER OF PAYMENT**

Dear Mr. Saille:

This Order provides notice and demands payment of the interim default payment obligation with respect to your default arising out of Auction 94. As described fully below, you were the winning bidder in Auction 94 for FM broadcast construction permits FM1033-A (Cotulla, TX) and FM1048-C1 (Presidio, TX) (hereinafter, "the Permits").<sup>1</sup> After the close of Auction 94, you defaulted on your payment obligations for your winning bids. Thus, you became subject to the default provisions of section 1.2104(g)(2) of the Commission's rules.<sup>2</sup>

On May 14, 2013, the Media Bureau and the Wireless Telecommunications Bureau ("Bureaus") announced the winning bidders in Auction 94, which included you.<sup>3</sup> The Bureaus also announced that by no later than May 29, 2013, each Auction 94 winning bidder was required to have on deposit enough funds to bring each winning bidder's deposit to twenty percent (20%) of its winning bid(s).<sup>4</sup> If a winning bidder's upfront payment was not sufficient to meet the down payment requirement, the winning bidder would be required to deposit sufficient funds to meet its down payment.<sup>5</sup> The Bureaus further instructed that by June 12, 2013, each winning bidder was required to submit a final payment for the balance of the net amount of each winning bid.<sup>6</sup> The Bureaus also announced that by midnight on July 24, 2013, all winning bidders were required to submit their long-form applications.<sup>7</sup>

<sup>7</sup> *Auction 94 Closing Public Notice*, 28 FCC Rcd at 6977 ¶ 21.

Your net winning bid was \$19,825.00.<sup>8</sup> The Bureaus applied the \$3,000.00 upfront payment amount that you had on deposit toward your down payment obligation of \$3,965.00 and notified you that the additional amount due to meet your down payment obligation was \$965.00.<sup>9</sup> You failed to remit your required down payment due by May 29, 2013. Subsequently, you failed to submit the final payment of \$15,860.00 due by June 12, 2013. Additionally, you did not submit a long-form application for the Permits. Thus, you became subject to the default provisions of section 1.2104(g)(2) of the Commission's rules.<sup>10</sup>

Under the Commission's rules, at the close of the auction a winning bidder assumes a binding obligation to pay the full amount of its accepted winning bid.<sup>11</sup> A bidder who defaults on that obligation or is disqualified is considered to be a defaulting bidder under the Commission's rules and is subject to a default payment.<sup>12</sup> The default payment has two components: a deficiency payment and an additional payment amount.<sup>13</sup> The deficiency payment component applies only in the event that the subsequent winning bid the next time a construction permit for the allotment is won is less than the defaulted bid. The deficiency payment amount is the difference between the bidder's net defaulted bid and the subsequent net winning bid, or the difference between the bidder's gross defaulted bid and the subsequent gross winning bid, whichever is less.<sup>14</sup> The additional payment amount is owed by each defaulting bidder.<sup>15</sup> Pursuant to the rule in effect at the time of Auction 94, the additional payment amount is equal to twenty percent (20%) of the defaulter's bid, or the subsequent winning bid, whichever is less.<sup>16</sup>

Until a construction permit for the relevant allotment is won in a subsequent auction, the Commission cannot determine the full amount of the default payment that is owed. Pursuant to its rules, the Commission therefore assesses an interim default payment amounting to twenty percent (20%) of the net winning bids.<sup>17</sup> Once subsequent winning bids for the relevant allotment are established, the remaining amount owed by you, if any, is then assessed.

<sup>8</sup> See *id.* at 6984-85 Attach. A.

<sup>9</sup> See *id.* at 6990 Attach. B. On May 14, 2013, Commission staff sent you a pre-filled Remittance Advice Form (Form 159) showing the amount of your first down payment and final payment in an overnight mailing that also included a copy of the *Auction 94 Closing Public Notice*.

Accordingly, you are considered to be in default on the Permits for which you were the winning bidder in Auction 94, and you are subject to the applicable default payment as shown in Attachment A.<sup>18</sup> Pursuant to section 1.2104(g)(2) of the Commission's rules and the procedures established for Auction 94, you owe an interim default payment of \$3,965.00, which is twenty percent (20%) of your total net winning bids of \$19,825.00.<sup>19</sup> Pursuant to section 1.2106(e) of the rules, we will apply your \$3,000.00 payment on deposit toward satisfying this interim default payment obligation.<sup>20</sup> After doing so, you owe an outstanding balance of \$965.00. This debt to the United States is payable in full and without further demand within 30 days of the date of this Order in accordance with the Important Notice Information provided below and Payment Instructions in Attachment B. Additionally, once subsequent winning bids are established for the relevant allotment, we will determine your final default payment obligation. If an additional payment is required, a further order will assess such payment.<sup>21</sup>

### **Important Notice Information**

Interest accrues at a minimum annual rate established annually by the United States Treasury in accordance with 31 U.S.C. § 3717.<sup>27</sup> However, the Commission will waive payment of the accrued interest, if the full amount of the debt is paid within 30 days of the Due Date.<sup>28</sup> A penalty of six percent (6%) accrues on any portion of the debt that remains unpaid for more than 90 days from the Due Date.<sup>29</sup> In addition to these charges, the Commission may initiate administrative offset,<sup>30</sup> and it may refer the
