**Reply Comments Date: March 17, 2015**

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a Petition for Rule Making (“Petition”) filed by Red Wolf Broadcasting Corporation (“Petitioner”), proposing to amend the FM Table of Allotments, Section 73.202(b) of the Commission’s Rules by allotting Channel 277A at Shelter Island, New York. In compliance with Commission procedures,<sup>1</sup> Petitioner has concurrently filed an FCC Form 301 application and paid the necessary filing fees.<sup>2</sup>

2. **Background.** Petitioner proposes the allotment of Channel 277A at Shelter Island, New York, as a first local service. Shelter Island is a census designated place with a 2010 U.S. Census population of 1,333 persons. Petitioner states that Shelter Island has its own zip code (11964), local government and Chamber of Commerce. Petitioner states that if the allotment is made, it will prosecute its application and participate in any auction and promptly construct the authorized facilities.

3. **Discussion.** The proposed change in the FM Table of Allotment warrants consideration because it would provide a first local service at Shelter Island, New York. A staff engineering analysis indicates that Channel 277A can be allotted to Shelter Island consistent with the minimum distance separation requirements of the Commission’s Rules with a site restriction located 12 kilometers (7.5 miles) south of the community. The reference coordinates are 40-57-54 NL and 72-22-59 WL. Accordingly, we seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Rules, with respect to Shelter Island, New York:

(b) With respect to petitions for rule making which conflict with the proposals in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.
