Transtelco, Inc.

Transfer of Control

Grant of Authority

Date of Action: 12/11/2015

Current Licensee: Transtelco, Inc.**FROM:** Transtelco, Inc.**TO:** Transtelco Holding, Inc.

Application filed for consent to the transfer of control of international section 214 authorization, ITC-214-20070228-00088, held by Transtelco, Inc. (Transtelco), to Transtelco Holding, Inc. (THI).

On May 1, 2010, Transtelco undertook a corporate reorganization in which THI was formed as a holding company with a 100 percent direct ownership of Transtelco. Prior to that, Miguel Fernandez and Rodrigo Fernandez, both U.S. citizens who are brothers, had control of Transtelco. Axiscom, SA. De CV (Axiscom), a Mexican company, held an approximately 26% ownership share of Transtelco. Upon closing of the May 1, 2010 transaction that established THI, the holdings of the Fernandez brothers in Transtelco were reduced with each brother holding 26.15% ownership in THI (and combined approximately 52.3% interest), and Axiscom holding a 40% interest in THI. According to applicant, the additional investment from Axiscom in 2010 did not affect the controlling interests of Miguel and Rodrigo Fernandez in Transtelco and THI.

On December 26, 2012, Miguel and Rodrigo Fernandez were divested of positive control of THI and Transtelco, leaving the company with no single controlling shareholder or control group. This occurred when the shareholders sold additional shares in THI amounting to a 15% ownership to Finestra, SA de CV, a Mexican holding company. Transtelco remains a wholly-owned subsidiary of THI, and the following individuals and entities have a ten percent or greater direct ownership in THI: Miguel Fernandez (20%), Rodrigo Fernandez (20%), Axiscom (39.1%), and Finestra (15%). Fernando de Jesus Canales Clariond, a Mexican citizen, holds a 99.99% ownership interest in Finestra. Aida Floridet del Carmen Destarac Saenz, a citizen of Mexico, holds a 29.25% ownership interest in Axiscom. No other entity or individual holds a ten percent or greater direct or indirect equity or voting interest in THI or Transtelco.

Applicants filed a request for Special Temporary Authority (STA) related to this transaction, ITC-STA-20150112-00010, which was granted on January 30, 2015.

This authorization is without prejudice to the Commission's action in any other related pending proceedings.
