WIRELINE COMPETITION BUREAU ANNOUNCES DEADLINE FOR EXISTING PROVIDERS TO NOTIFY PUERTO RICO TELEPHONE COMPANY OR HAWAIIAN TELCOM, INC. THAT THEY SERVE CENSUS BLOCKS THAT THE PRICE CAP CARRIERS PROPOSE TO SERVE WITH CONNECT AMERICA PHASE I INCREMENTAL SUPPORT

WC Docket No. 10-90

Notifications Due: April 9, 2015

On February 20, 2015, Puerto Rico Telephone Company, Inc. (PRT) and Hawaiian Telcom, Inc. (HTI) notified the Commission that they intend to modify their Connect America Phase I Round 2 (Phase I) incremental broadband deployment plans.¹ PRT submitted with its notification a list of 230 census blocks that it had not previously identified with its initial election where it now intends to serve locations using Phase I incremental support.² HTI submitted with its notification a list identifying (1) the census block that it had not previously identified with its initial election where it now intends to serve locations using Phase I incremental support, and (2) the census block that HTI no longer intends to serve using Phase I incremental support.³

Under the requirements for Phase I incremental support, other providers now have 45 days to indicate that they already serve the identified blocks, and PRT and HTI must certify that to the best of their knowledge the locations they plan to serve are in fact unserved before they may commence construction. Existing providers therefore have **until Thursday, April 9, 2015** to notify PRT or HTI that they currently offer Internet service at speeds of 3 Mbps downstream and 768 kbps upstream or higher in the newly identified census blocks.⁴ A machine readable list of the census blocks PRT intends to serve is

Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must (1) list all persons attending or otherwise participating in the meeting at which the *ex parte* presentation was made, and (2) summarize all data presented and arguments made during the presentation. If the presentation consisted in whole or in part of the presentation of data or arguments already reflected in the presenter’s written comments, memoranda or other filings in the proceeding, the presenter may provide citations to such data or arguments in his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers where such data or arguments can be found) in lieu of summarizing them in the memorandum. Documents shown or given to Commission staff during *ex parte* meetings are deemed to be written *ex parte* presentations and must be filed consistent with rule 1.1206(b). In proceedings governed by rule 1.49(f) or for which the Commission has made available a method of electronic filing, written *ex parte* presentations and memoranda summarizing oral *ex parte* presentations, and all attachments thereto, must be filed through the electronic comment filing system available for that proceeding, and must be filed in their native format (*e.g.*, .doc, .xml, .ppt, searchable .pdf).
