## MEDIA BUREAU ACTION

### MEDIA BUREAU SEEKS COMMENT ON AMERICAN CABLE ASSOCIATION'S PETITION FOR WAIVER OF ACCESSIBLE EMERGENCY INFORMATION REQUIREMENTS

MB Docket Nos. 12-107, 11-43

**Comment Date: April 2, 2015**

**Reply Comment Date: April 9, 2015**

The American Cable Association (“ACA”) has filed a petition<sup>1</sup> requesting that the Media Bureau (“Bureau”) waive the Commission’s rules requiring cable systems to pass through emergency information on a secondary audio stream for certain analog-only and hybrid digital/analog systems. Section 79.2(b)(2)(ii) of the Commission’s rules requires video programming distributors to ensure that the aural representation of emergency information provided on the secondary audio stream gets passed through to consumers by the compliance deadline of May 26, 2015.<sup>2</sup>

ACA requests that the Bureau grant waivers for two classes of systems. First, for hybrid digital/analog systems that lack the equipment needed to pass through secondary audio streams on their analog service, ACA asks the Bureau to permit an alternate means of compliance with the pass-through requirement.<sup>3</sup> Specifically, ACA requests that the Bureau permit these systems to substantially meet the pass-through requirement through the provision of free set-top boxes for up to three analog television sets per household of each eligible customer,<sup>4</sup> until such time that the hybrid system obtains the equipment

necessary to provide the secondary audio stream on their analog service, or ceases providing broadcast stations in analog.<sup>5</sup> Second, for analog-only systems that lack the equipment needed to pass through secondary audio streams, ACA requests that the Bureau waive the compliance deadline until at least June 12, 2018, with the opportunity to seek a further waiver from the Bureau, if still needed at that time.<sup>6</sup> We seek comment on ACA's request.
