COMMENTS INVITED ON APPLICATION OF TELSCAPE COMMUNICATIONS, INC. TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 15-103
Comp. Pol. File No. 1214

Comments Due: May 14, 2015

Section 214 Application

Applicant: Telscape Communications, Inc.

On **April 9, 2015**, **Telscape Communications, Inc.** (Telscape or Applicant), located at **10440 N. Central Expressway, Suite 700, Dallas, TX 75231-2228**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue certain domestic telecommunications services in Nevada (Service Area).¹

Telscape states that it generally provides wireless, local exchange, long distance, Internet and data services with a focus on the U.S. Hispanic market. Telscape specifies that it currently offers local exchange and domestic long distance telecommunications services in the Service Area (Affected Services). According to Telscape, the Affected Services are provided to customers on a resold basis via a wholesale complete platform formerly known as UNE-P. Telscape states, however, that it plans to cease providing wireline services and seeks to discontinue the Affected Services in the Service Area on or after May 12, 2015, subject to regulatory approval.² Telscape submits that it sent written notice of the proposed discontinuance to all affected customers via first class mail on April 6, 2015, in compliance with the Commission's rules. The Applicant further maintains that it will take all reasonable steps to assure that the proposed discontinuance is not unduly disruptive to the present or future public convenience and necessity. Telscape asserts that it is considered non-dominant with respect to the services it proposes to discontinue.

In accordance with section 63.71(c) of the Commission's rules, Telscape's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies Telscape that the grant will not be automatically effective. In its notice to

² Telscape indicates that it is separately filing with respect to the planned discontinuance of its international long distance telecommunications services. Discontinuance of international service is governed by section 63.19 of the Commission's rules. See 47 C.F.R. § 63.19.

customers, Telscape indicates that it plans to discontinue the Affected Services in the Service Area on or after May 12, 2015, subject to regulatory approval. Accordingly, pursuant to section 63.71(c) and the terms of Telscape's notice to customers, absent further Commission action, Telscape may discontinue the Affected Services in the Service Area on or after **May 30, 2015**, in accordance with Telscape's filed representations. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.
