COMMENTS INVITED ON APPLICATION OF LEVEL 3 COMMUNICATIONS, LLC TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 15-129
Comp. Pol. File No. 1225

Comments Due: July 14, 2015

On **June 3, 2015**, **Level 3 Communications, LLC** (Level 3 or Applicant), located at **1025 Eldorado Boulevard, Broomfield, Colorado 80021**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue certain domestic telecommunications services in the areas of Colorado Springs and Greenwood Village, CO (Service Areas).¹

Level 3 states that it currently offers Analog Phone service and Integrated Voice and Data (IVAD) service (collectively, Affected Services) to customers in the Service Areas. Level 3 indicates that Analog Phone service provides a voice-grade telephonic communications channel that can be used to place or receive one call at a time. Level 3 explains that IVAD service provides customers with multiple options for combining both voice and data traffic on a single dedicated connection. Level 3 explains further that IVAD offers the unique ability to dynamically allocate bandwidth between voice and data to meet a customer's changing network needs. According to Level 3, voice communications are supported with analog line and digital trunk services providing 12 to 32 voice channels on a single T1 Circuit. Level 3 adds that Internet access and private networking connectivity can be accommodated with up to 1.5 Mbps of data bandwidth. Level 3 indicates, however, that it plans to discontinue the Affected Services in the Service Areas on or after July 30, 2015, subject to regulatory approval.² The Applicant submits that the public convenience and necessity will not be adversely affected by the proposed discontinuance because advance notice has been provided to all affected customers, thereby giving them ample time to arrange for substitute services, which are readily available. Level 3 maintains that it sent written notice of the proposed discontinuance to affected customers by first-class U.S. Mail on June 2, 2015. Level 3 further asserts that it is considered non-dominant with respect to the services to be discontinued.

¹ See Section 63.71 Application of Level 3 Communications, LLC For Authority Pursuant to Section 214 of the Communications Act of 1934, as amended, to Discontinue the Provision of Analog Phone and IVAD Services in the areas of Colorado Springs and Greenwood Village, Colorado, WC Docket No. 15-129 (filed June 3, 2015), <http://apps.fcc.gov/ecfs/comment/view?id=60001059853> (Application).

² Level 3 states that it also is filing notice of its proposed discontinuance of Analog Phone and IVAD services with the International Bureau. The discontinuance of international service is governed by section 63.19 of the Commission's rules. See 47 C.F.R. § 63.19.

In accordance with section 63.71(c) of the Commission's rules, Level 3's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies Level 3 that the grant will not be automatically effective. In the Application and notice to customers, Level 3 indicates that it plans to discontinue the Affected Services in the Service Areas on or after July 30, 2015, subject to regulatory approval. Accordingly, pursuant to section 63.71(c) and the terms of the Application and notice to customers, absent further Commission action, Level 3 may discontinue the Affected Services in the Service Areas on or after **July 30, 2015**, in accordance with Level 3's filed representations. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

Comments objecting to this application must be filed with the Commission on or before **July 14, 2015**. Such comments should refer to **WC Docket No. 15-129 and Comp. Pol. File No. 1225**.
