COMMENTS INVITED ON APPLICATION OF CARR TELEPHONE COMPANY TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 15-161
Comp. Pol. File No. 1224

Comments Due: August 7, 2015

Section 214 Application

Applicant: Carr Telephone Company

On **June 1, 2015**, **Carr Telephone Company** (Carr Telephone or Applicant), located at **4325 S. Masten Road, Branch, MI 49402**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue certain domestic telecommunications services within the company's service area including Lake, Mason, Newaygo and Oceana Counties in Michigan (Service Areas).¹ On July 7, 2015, Carr Telephone filed an amendment to correct certain deficiencies in its application and update the record regarding the services that would be impacted by the proposed discontinuance.² Accordingly, Carr Telephone's application is deemed complete as of July 7, 2015.

Carr Telephone indicates that it currently offers "0" dialing for local operator services and "0 + 10" dialing for operator-assisted calling services and operator-assisted calling card services in the Service Areas (Affected Services). Carr Telephone asserts, however, that there has been a lack of customer demand for the Affected Services with no usage of the services recorded for more than a year. Accordingly, Carr Telephone submits that it made a business decision to discontinue the Affected Services in the Service Areas on or about September 1, 2015, subject to regulatory approval. Carr Telephone states that it sent notice of the proposed discontinuance to all affected customers on June 1, 2015 via distinctly sized bill inserts sent by U.S. Mail. The Applicant maintains that customers will not be adversely affected by the proposed discontinuance because they are using new technologies and choosing widely available alternatives to the Affected Services. Carr Telephone asserts that it is an incumbent local exchange carrier and considered dominant with respect to the services it proposes to discontinue.

¹ See Section 63.71 Application of Carr Telephone Company for Authority to Discontinue Certain Services, WC Docket No. 15-161 (filed June 1, 2015), <http://apps.fcc.gov/ecfs/comment/view?id=60001059682>.

² See Letter from Valerie Wimer, Vice President, on behalf of Terri Bogner, Secretary, Carr Telephone Company, to Marlene H. Dortch, Secretary, Federal Communications Commission, WC Docket No. 15-161 (filed July 7, 2015) (posted in the ECFS on July 8, 2015), <http://apps.fcc.gov/ecfs/comment/view?id=60001091704>.

In accordance with section 63.71(c) of the Commission's rules, Carr Telephone's application will be deemed to be granted automatically on the 60th day after the release date of this public notice, unless the Commission notifies Carr Telephone that the grant will not be automatically effective. In the application, Carr Telephone indicates that it plans to discontinue the Affected Services in the Service Areas on or about September 1, 2015, subject to regulatory approval. Accordingly, pursuant to section 63.71(c) and the terms of Carr Telephone's application, absent further Commission action, Carr Telephone may discontinue the Affected Services in the Service Areas on or after **September 6, 2015**, in accordance with Carr Telephone's filed representations. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

Comments objecting to this application must be filed with the Commission on or before **August 7, 2015**. Such comments should refer to **WC Docket No. 15-161 and Comp. Pol. File No. 1224**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service. Comments may be filed using the Commission's Electronic Comment Filing System (ECFS) or by filing paper copies. *See Electronic Filing of Documents in Rulemaking Proceedings*, 63 FR 24121 (1998).
