AUCTION OF FM BROADCAST CONSTRUCTION PERMITS CLOSES

WINNING BIDDERS ANNOUNCED FOR AUCTION 98

Down Payments Due August 26, 2015
Final Payments Due September 10, 2015
FCC Form 301 Filing Window September 10 through October 13, 2015

I. INTRODUCTION

1. On August 6, 2015, the Federal Communications Commission completed an auction of 131 construction permits in the FM broadcast service. This auction, which was designated Auction 98, raised (in net bids) a total of \$4,121,140.00, with 59 bidders winning a total of 102 construction permits.

II. AUCTION RESULTS

2. This Public Notice provides detailed information concerning winning bidders, down payments, final payments, refunds, long-form application (FCC Form 301) filing requirements, and licensing matters. Key information appears in the following attachments:

- Attachment A:** “Winning Bids” lists winning bidders and both their total gross and net winning bid amounts.
- Attachment B:** “Bidder Payment/Refund” lists down payments and final payments owed by winning bidders and refunds due, if any.¹
- Attachment C:** “Default Payment Report” contains default payments based upon reconciliation of final results of Auction 62, Auction 94, and Auction 98.

A copy of this Public Notice will be sent via overnight delivery to each qualified bidder.

III. POST-AUCTION PROCEDURES

A. Down Payments

3. The Commission’s rules require that within 10 business days after the release of this Public Notice, in this case by **6:00 p.m. Eastern Time (ET) on August 26, 2015**, each winning bidder in Auction 98 must have on deposit with the Commission enough funds to cover the down payment on its winning bid(s).² Specifically, each winning bidder’s total deposit must be 20 percent of the aggregate net

¹ The amounts listed in Attachment B are based on upfront payments and net winning bids.

² 47 C.F.R. § 1.2107(b).

amount of its winning bids. If a winning bidder's upfront payment is not sufficient to meet this requirement, it must deposit additional funds to meet its required down payment.³

4. The amount due from each winning bidder, if any, is set out in the "Additional Amount Due after Upfront Payment Balance Applied Due by August 26, 2015" column of Attachment B. Note that a payment and FCC Remittance Advice Form (FCC Form 159) are necessary only if a winning bidder's upfront payment does not cover the required total down payment (as reflected in Attachment B).

5. Wire transfers for down payments must be received by the Commission by **6:00 p.m. ET on August 26, 2015**. If a winning bidder fails to complete this down payment process, consistent with the payment method described in this Public Notice, by 6:00 p.m. ET on August 26, 2015, it will be in default.⁴

B. Final Payments

6. Each winning bidder will be required to submit the balance of the net amount of its winning bid(s) as set out in the "Final Balance Due By September 10, 2015 or (Refund)" column of Attachment B.⁵ Each winning bidder must pay the full amount of the Final Balance Due shown in Attachment B by **6:00 p.m. ET on September 10, 2015** (or by 6:00 p.m. ET on September 24, 2015, along with the five percent late fee required by section 1.2109(a) of the Commission's rules).⁶ Full and timely payment of winning bids and any applicable late fees must be made in accordance with section 1.2109(a) of the Commission's rules and must occur before action will be taken upon the winning bidder's long-form application (FCC Form 301).⁷ Specifically, construction permits will be granted only after the full and timely payment of winning bids and any applicable late fees, in accordance with section 1.2109(a).⁸

7. Wire transfers of final payments must be received by the Commission by **6:00 p.m. ET on September 10, 2015** (or by 6:00 p.m. ET on September 24, 2015, along with the five percent late fee required by section 1.2109(a) of the Commission's rules).⁹ If a winning bidder fails to complete the final payment consistent with the payment method described in this Public Notice by 6:00 p.m. ET on September 10, 2015 (or by 6:00 p.m. ET on September 24, 2015, along with the five percent late fee), it will be in default.¹⁰

C. Method of Payment for Down and Final Payments

8. All payments must be in U.S. dollars and made in the form of a wire transfer. No checks, credit card payments, automated clearing house ("ACH"), or other forms of payment will be accepted.

9. Each winning bidder is responsible for ensuring timely submission of its payment. Each winning bidder should coordinate with its financial institution well ahead of the due date regarding its wire transfer and should allow sufficient time for each wire transfer to be initiated and completed prior to

the deadline. The Commission repeatedly has cautioned auction participants about the importance of planning ahead to prepare for unforeseen last-minute difficulties in making payments by wire transfer.¹¹ A winning bidder should obtain confirmation from its financial institution that its wire transfer to U.S. Bank was successful. It should also confirm with Commission staff that its payment has been received by the Commission in the proper account by the specified deadline. Such confirmation may be obtained by contacting Gail Glasser of the Office of Managing Director's FCC Revenue & Receivables Operations Group/Auctions at (202) 418-0578, or Theresa Meeks at (202) 418-2945. OMD staff may also be reached through the FCC Auctions Hotline at (888) 225-5322, option two; or (717) 338-2868.

10. Each payer must include certain information in its wire transfer instructions (OBI field) provided to its bank, as described below. In a change of practice from prior auctions, the Commission no longer requires the submission of a completed FCC Remittance Advice Form (Form 159) with down payments or final payments.¹² The Commission will credit any such payments based on the information accompanying the wire transfer. To submit funds by wire transfer, the winning bidder will need to include the following information in its wire transfer instructions:

ABA Routing Number: **021030004**

Receiving Bank: **TREAS NYC**
33 Liberty Street
New York, NY 10045

ACCOUNT NAME: **FCC**

ACCOUNT NUMBER: **27000001**

OBI Field: (Skip one space between each information item) "AUCTIONPAY"

APPLICANT FRN: (same as FCC Form 175)

PAYMENT TYPE CODE: ("D098")

PAYER NAME

CONTACT NAME AND PHONE NUMBER OR E-MAIL ADDRESS

11. A partially completed Form 159, Remittance Advice will be provided to confirm the amount to be remitted in the wire transfer information and the Form 159 should be retained for your records. It is not necessary for you to fax or e-mail a copy to the FCC or the Commission's bank. Please direct questions concerning the calculation and submission of down payments, final payments, and refunds to Gail Glasser at (202) 418-0578 or Theresa Meeks at (202) 418-2945. OMD staff may also be reached through the FCC Auctions Hotline at (888) 225-5322, option two; or (717) 338-2868.

D. Default and Disqualification Payments

12. The Commission imposes payment obligations on bidders that, after an auction closes, default on payments due or are disqualified.¹³

¹¹ See, e.g., Letter to Lee G. Petro, counsel for Four Corners Broadcasting, LLC, from Margaret W. Wiener, Chief, Auctions and Spectrum Access Division, DA 10-1270, 25 FCC Rcd 9046 (WTB 2010); Letter to David G. O'Neil, counsel for Spectrum Acquisitions, Inc., from Margaret W. Wiener, Chief, Auctions and Spectrum Access Division, DA 08-622, 23 FCC Rcd 4765 (WTB 2008); Letter to Patrick Shannon, counsel for Lynch 3G Communications Corp., from Margaret W. Wiener, Chief, Auctions and Industry Analysis Division, DA 03-1944, 18 FCC Rcd 11552 (WTB 2003).

¹² The Form 159 will continue to be used in future auctions for upfront payments.

¹³ See 47 C.F.R. §§ 1.2104(g), 1.2109.

13. Because Auction 98 is now closed, the Commission is in a position to calculate final default payments owed as a result of defaults on construction permits won in Auction 62 and Auction 94. Such payments are identified in **Attachment C**. Forthcoming orders will assess such payments, and will specify due dates for the payment of any such obligations.

E. Bid Default/Disqualification Payments from Auction 98

14. If a winning bidder defaults or is disqualified after the close of the auction (i.e., fails to remit the required down payment by the specified deadline, fails to submit a timely long-form application, fails to make full payment of the balance of its winning bid(s) by the specified deadline, or is otherwise disqualified for any reason), the defaulting bidder will be subject to the payment obligations described in section 1.2104(g)(2).¹⁴ These payment obligations include both a deficiency payment, equal to the difference between the amount of the defaulter's bid and the amount of the winning bid the next time a permit or license covering the same spectrum is won in an auction, plus an additional payment equal to a percent of the defaulter's bid or the subsequent winning bid, whichever is less.¹⁵ The additional default payment for Auction 98 permits was set at 20 percent of the applicable bid.¹⁶

15. If a winning bidder fails to remit the required down payment within 10 business days after the Commission has released this Public Notice, in this case by August 26, 2015, the bidder will be deemed to have defaulted, its long-form application will be dismissed, and it will be liable for a default payment as described above.¹⁷

16. If a winning bidder fails to pay the balance of its winning bid in a lump sum by the deadline specified in this public notice, it will be allowed to make a late payment within 10 business days after the payment deadline, provided that it also pays a late fee equal to five percent of the amount due.¹⁸ If a winning bidder fails to pay (a) the balance of its winning bid by the payment deadline on September 10, 2015, or (b) the balance of its winning bid plus the late fee by the late payment deadline on September 24, 2015, it will be deemed to have defaulted, and it will be subject to applicable default payments.¹⁹

17. The Commission will review an applicant's long-form application only after receipt of full and timely payment for the winning bid amount and any applicable late fees. The relevant construction permit will be granted after determination that the long-form application meets the Commission's requirements for grant.²⁰

18. A bidder that is found to have violated the antitrust laws or the Commission's rules in connection with its participation in the competitive bidding process may be subject, in addition to any other applicable sanctions, to forfeiture of its upfront payment, down payment, or full bid amount, and may be prohibited from participating in future auctions.²¹

F. Refund of Excess Payments

19. Upfront monies on deposit that are in excess of an applicant's Auction 98 obligations may be refunded to the payer of record as identified on the upfront payment wire transfer. To receive a refund, an applicant must submit a refund request and provide wire transfer instructions. Each applicant can provide this information by using the FCC Auction System ("ISAS") to file its refund information electronically using the "Refund Information" icon found on the Auction Application Manager page by **August 26, 2015**. After this date, an applicant must send a written request for refund, along with the necessary wire transfer instructions and FRN, by fax to Gail Glasser of the Office of the Managing Director at (202) 418-2843 (FAX). Any questions concerning refunds should be directed to Gail Glasser at (202) 418-0578 or Theresa Meeks at (202) 418-2945. OMD staff may also be reached through the FCC Auctions Hotline at (888) 225-5322, option two; or (717) 338-2868. An applicant seeking a refund should verify that the Tax Identification Number ("TIN") associated with its FRN is correct by visiting the FCC Registration Number website <https://apps.fcc.gov/coresWeb/publicHome.do> to update its records before submitting a refund request. An FRN with no TIN on file cannot be processed until a TIN is provided.

G. FCC Form 301

20. Prior to **midnight ET on October 13, 2015**, each winning bidder must submit electronically a properly-completed long-form application (FCC Form 301, Application for Construction Permit for Commercial Broadcast Station), including all required exhibits, for each construction permit for which it was the winning bidder in Auction 98.²² **The FCC Form 301 filing window will open on September 10, 2015, and close at midnight ET on October 13, 2015.**

21. An applicant that fails to submit the required long-form application before the specified deadline and fails to establish good cause for any late-filed submission shall be deemed to have defaulted and shall be subject to the payments set forth in section 1.2104(g) of the Commission's rules.²³ Each Auction 98 winning bidder must file an accurate and complete long-form application (FCC Form 301) for each construction permit for which it was the winning bidder in Auction 98. However, a winning bidder that filed FCC Form 301 simultaneously with the Petition for Rule Making or counterproposal to allot the channel for which it submitted the winning bid need only file an amendment to its existing FCC Form 301 application for that channel, if necessary.²⁴ The long-form applications must be filed electronically through the Media Bureau's Consolidated Database System (CDBS) online electronic filing system.²⁵ In accordance with the Commission's rules, electronic filing of the FCC Form 301 must be accompanied by the appropriate application filing fee.²⁶ If information submitted on the new FCC Form 301 application by

the winning bidder indicates that the applicant has effected a major change relative to information reported on the applicant's short-form application (FCC Form 175), the long-form application will be dismissed and the applicant will be in default.²⁷

In the CDBS Electronic Filing System section of the page, click on the [CDBS Electronic Filing User's Guide](#) link. When filing FCC Form 301, an applicant must select "Long Form Application for Auction 98" on the Pre-form and enter the relevant short-form application file number from CDBS (Question 2).²⁸ For assistance with electronic filing, call the CDBS Help Desk at (202) 418-2662.

23. Commission staff will return applications not submitted in accordance with the procedures described in this Public Notice. Applicants are encouraged to pay the FCC Form 301 application filing fee electronically using the CDBS filing system in order to avoid processing delays.

H. Additional Post-Auction Filing Requirements

24. To file a complete FCC Form 301 application, each Auction 98 winning bidder must submit the post-auction exhibits required by section 73.5005(a) of the Commission's rules. Specifically, section 73.5005(a)²⁹ requires that post-auction long-form applications include the exhibits mandated by section 1.2107(d) (providing a detailed explanation of the terms, conditions, and parties involved in any bidding consortium, joint venture, partnership, or other agreement or arrangement the applicant had entered into relating to the competitive bidding process);³⁰ section 1.2110(j) (requiring an applicant claiming bidding credit eligibility to describe how it satisfies the eligibility requirements for such bidding credit, and to list and summarize all agreements that affect such status, such as partnership agreements, shareholder agreements, management agreements, resale arrangements, and any other agreements, including oral agreements, that establish that the auction applicant will have both *de facto* and *de jure* control of the entity);³¹ and section 1.2112(a) (requiring that each long-form application fully disclose ownership information and the real party or parties in interest in the applicant or application).³²

Then, click on "Submit Application Search" at the bottom of the page. This will provide all of the Short Forms for that community of license. 25. An applicant claiming new entrant bidding credit eligibility must also provide information establishing its eligibility in its long-form application,³³ including, where relevant, the submission of a response to the multiple ownership question on Form 301.³⁴ Generally, media interests will be attributable for purposes of the new entrant bidding credit to the same extent that such other media interests are considered attributable for purposes of the broadcast multiple ownership rules. The Commission also attributes the media interests held by substantial investors in, or creditors of, an applicant claiming new entrant status.³⁵ Specifically, the attributable mass media interests held by an individual or entity with an equity and/or debt interest in an applicant are attributed to that bidder for purposes of determining its eligibility for the new entrant bidding credit, if the equity and debt interests, in the aggregate, exceed 33 percent of the total asset value of the applicant, even if such an interest is non-voting.³⁶ However, the relaxed equity/debt plus attribution standard for “eligible entities”³⁷ as the basis for the new entrant bidding credit is unavailable in Auction 98.³⁸

26. The Commission’s “red light rule” implementing the Debt Collection Improvement Act will be enforced.³⁹ Under the red light rule, the Commission will not process applications or other requests for benefits filed by parties that have outstanding debts owed to the Commission.⁴⁰

I. Maintaining Accuracy of Information

27. After the auction closes, all required changes to an applicant’s information must be made by filing or amending the applicant’s long-form application(s) (FCC Form 301). With the release of this Public Notice, applicants are no longer required to maintain the accuracy and completeness of information furnished on their short-form applications and exhibits.⁴¹

J. Application Processing, Petitions to Deny and Construction Permit Grant

28. After its initial review of the long-form applications, the Media Bureau will issue public notices listing the applications as they are accepted for filing. Pursuant to sections 1.2108(b) and 73.5006 of the Commission’s rules,⁴² interested parties will have 10 days from release of that public notice to file

petitions to deny the application.⁴³ The Media Bureau will use public notices generated by CDBS to start the 10-day period for filing petitions to deny. A public notice entitled “Broadcast Applications” will list such applications as “Accepted for Filing.” An applicant may file an opposition to any petition to deny within five days after the filing deadline for petitions to deny its long-form application.⁴⁴ Replies must be filed within five days after the filing deadline for oppositions to a petition to deny a long-form application.⁴⁵ The Commission reminds all parties and their counsel that the Commission intends to use its authority fully to deter the filing of frivolous pleadings.⁴⁶

29. After the long-form application review process, if the Commission determines that additional payment from an applicant is due, the Media Bureau will provide further instructions in a future public notice or by demand letter.⁴⁷ If the Commission determines that an applicant is otherwise qualified, that there are no substantial and material issues of fact, and that no additional payments are due, the Commission will grant the construction permit.⁴⁸

IV. OTHER IMPORTANT INFORMATION

A. Maintaining Prohibition on Certain Communications

30. To ensure the competitiveness of the auction process, the Commission’s rules prohibit applicants for construction permits in any of the same geographic license areas from communicating with each other about bids, bidding strategies, or settlements, unless such applicants have identified each other on their short-form applications as parties with whom they have entered into agreements under section 1.2105(a)(2)(viii).⁴⁹ As explained more fully in the *Auction 98 Procedures Public Notice*, this prohibition began at the short-form application filing deadline at 6:00 p.m. ET on May 28, 2015, and continues until the down payment deadline, which is **6:00 p.m. ET on August 26, 2015**.⁵⁰

31. The prohibition on certain communications applies to all applicants in Auction 98 (unless they have identified each other on their short-form applications as parties with whom they have entered into agreements under section 1.2105(a)(2)(viii)), regardless of whether an applicant became a qualified

B. Return of SecurID® Tokens

32. The SecurID® tokens distributed to qualified bidders are tailored to this auction and will not work for future auctions. The Commission will send each bidder, along with a copy of this Public Notice, a pre-addressed, stamped envelope to return its SecurID® tokens. Each bidder should return its SecurID® tokens to the Commission for recycling by **August 26, 2015**.
