Petition for Declaratory Ruling

Grant of Authority

Date of Action: 08/26/2016

TVC Albany, Inc. (TVC) and OHCP Northeastern Fiber Buyer, Inc. (OHCP) (together, Petitioners) have filed a petition for declaratory ruling (Petition) pursuant to section 1.990(a)(1) of the Commission's rules, 47 CFR § 1.990(a)(1), that the public interest would be served by allowing foreign ownership of TVC to exceed the 25 percent benchmark in section 310(b)(4) of the Communications Act of 1934, as amended (the "Act"), 47 U.S.C. § 310(b)(4). Petitioners have filed the Petition in connection with an application to transfer control of TVC to OHCP. See ULS File No. 0007203840. TVC holds a nationwide common carrier wireless license, Call Sign WQLH897, in the 3650-3700 MHz band.

TVC is a Delaware corporation that is currently a direct, wholly-owned subsidiary of Tech Valley Holdings, LLC. OHCP is also a Delaware corporation formed for the purpose of acquiring TVC. Upon closing, OHCP will wholly own and control TVC through a yet-to-be-formed Delaware entity; OHCP will, in turn, be wholly owned by OHCP Northeastern Fiber Buyer Holdco, L.P. (OHCP Holdco); and OHCP Holdco will be owned in majority part (90.10%) by OHCP Aggregator (Name to be Determined) (OHCP Aggregator). It is expected that the remaining 9.90 percent interest in OHCP Holdco will be held collectively by other entities and individuals, including members of TVC management and other existing interest holders.

According to Petitioners, although OHCP and TVC will ultimately be controlled by U.S. citizens, there will be a number of upstream, intervening investment funds organized in the Cayman Islands through which various passive and institutional investors will make their financial investments indirectly in OHCP through OHCP Aggregator, specifically: Oak Hill Capital Partners IV (Management), L.P. (6.99%); Oak Hill Capital Partners IV (Onshore), L.P. (62.07%); Oak Hill Capital Partners IV (Onshore Tax Exempt), L.P. (0.72%); Oak Hill Capital Partners IV (Offshore), L.P. (16.76%); and Oak Hill Capital Partners IV (Offshore 892), L.P. (3.55%) (collectively, the "Oak Hill IV Funds"). The general partner of each of the Oak Hill IV Funds, OHCP GenPar IV, L.P. (OHCP GenPar), is also organized in the Cayman Islands, as is OHCP GenPar's general partner, OHCP MGP IV, Ltd. (OHCP MGP IV). Petitioners state that the voting members of OHCP MGP IV are all U.S. citizens that, as members of the "Investment Committee," exercise oversight and control of the Oak Hill IV Funds. It is expected that the Oak Hill IV Funds will implement a new incentive equity plan for management in connection with or following consummation of the transaction.

Finally, Petitioners state that the equity in the Oak Hill IV Funds is held by numerous, primarily U.S.-based investors, including individuals, trusts, institutions, and business entities. This equity is held through limited partnership interests that Petitioners state are fully insulated in accordance with section 1.993 of the Commission's rules, 47 CFR § 1.993, with no foreign limited partner holding a 5 percent or greater direct or indirect interest in OHCP. Further, OHCP GenPar and OHCP MGP IV will each hold a less than one percent equity interest in OHCP.

Pursuant to section 1.991(i) of the rules, Petitioners request specific approval for the following foreign-organized entities to hold, directly or indirectly, equity and/or voting interests of 5 percent or more in OHCP, the proposed controlling U.S. parent of TVC:

Oak Hill Capital Partners IV (Management), L.P. (6.99% equity and voting interests)
Oak Hill Capital Partners IV (Onshore), L.P. (62.07% equity and voting interests)
Oak Hill Capital Partners IV (Onshore Tax Exempt), L.P. (0.72% equity and voting interests)
Oak Hill Capital Partners IV (Offshore), L.P. (16.76% equity and voting interests)
Oak Hill Capital Partners IV (Offshore 892), L.P. (3.55% equity and voting interests)
OHCP GenPar IV, L.P. (less-than-1% equity and 100% voting interests)
OHCP MGP IV, Ltd. (less-than-1% equity and 100% voting interests)

Pursuant to section 1.991(k) of the rules, Petitioners also request approval for the above-named entities to increase their ownership interests beyond the percentages specified above, up to 100 percent, collectively, of OHCP's direct and/or indirect equity and/or voting interests. Petitioners explain that, because the Oak Hill IV Funds have not closed and additional investors could still participate, and because the equity and voting interests of other investors (currently under 10% collectively) have not been finalized, the respective ownership percentages of the individual Oak Hill IV Funds in OHCP may change.

Pursuant to the rules and policies established by the Commission's Foreign Ownership Second Report and Order, we find that the public interest would not be served by prohibiting foreign ownership of OHCP, as the controlling U.S. parent of TVC, in excess of the 25 percent benchmark in section 310(b)(4) of the Act.

Specifically, this ruling permits aggregate foreign ownership of TVC's proposed controlling U.S. parent company, OHCP, to exceed, directly and/or indirectly, 25 percent of its equity and/or voting interests, subject to the terms and conditions set forth in section 1.994 of the Commission's rules, 47 C.F.R. § 1.994, including the requirement to obtain Commission approval before TVC and OHCP's foreign ownership exceeds the terms and conditions of this ruling. In addition, this ruling specifically authorizes Oak Hill Capital Partners IV (Management), L.P., Oak Hill Capital Partners IV (Onshore), L.P., Oak Hill Capital Partners IV (Onshore Tax Exempt), L.P., Oak Hill Capital Partners IV (Offshore), L.P., Oak Hill Capital Partners IV (Offshore 892), L.P., OHCP GenPar IV, L.P., and OHCP MGP IV, Ltd. to hold equity and voting interests in TVC and OHCP up to and including the amounts specified above. This ruling also includes advanced approval for the above-named entities to increase their ownership interests beyond the percentages specified above, up to and including 100 percent, collectively, of OHCP's direct and/or indirect equity and/or voting interests.

The Petitioners have an affirmative duty to monitor their foreign equity and voting interests, calculate these interests consistent with the standards and criteria set forth in sections 1.992 through 1.993 of the Commission's rules, 47 CFR §§ 1.992-1.993, and otherwise ensure continuing compliance with this ruling and the provisions of section 310(b) of the Act.

Grant of this declaratory ruling is without prejudice to the Commission's action on any other related pending application(s).

Pursuant to the terms of an underlying assets purchase agreement executed between the parties on June 30, 2016, the parties contemplate that TracFone will acquire from T-Mobile USA certain of T-Mobile USA's customers and, upon closing, will provide services to its newly acquired customer base pursuant to its existing international section 214 authorization, ITC-214-20030401-00162. T-Mobile USA will retain its international section 214 authorizations, ITC-214-20061004-00452, ITC-214-19960930-00473, ITC-214-20120301-00067, and ITC-214-20011116-00601.

Transfer of Control
Grant of Authority

Date of Action: 08/26/2016

Current Licensee: TVC Albany, Inc.

FROM:

TO: OHCP Northeastern Fiber Buyer, Inc.

Application filed for consent to the transfer of control of international section 214 authorizations, ITC-214-19990825-00538 and ITC-214-20010209-00086, held by TVC Albany, Inc. (TVC) from its 100 percent direct parent, Tech Valley Holdings, LLC (Tech Valley), to OHCP Northeastern Fiber Buyer, Inc. (OHCP) (together, "Applicants"). Pursuant to a Securities Purchase Agreement dated as of March 18, 2016, OHCP will purchase 100 percent of the outstanding securities of TVC from Tech Valley. Prior to closing, however, OHCP will assign its rights under the Agreement to a yet-to-be-formed Delaware entity (Oak Hill Buyer). Thus, upon completion of the transaction, TVC will be a wholly-owned, direct and indirect subsidiary of Oak Hill Buyer and OHCP, respectively. OHCP will, in turn, be wholly owned by OHCP Northeastern Fiber Buyer Holdco, L.P. (OHCP Holdco); and OHCP Holdco will be owned in majority part (90.10%) by OHCP Aggregator (Name to be Determined) (OHCP Aggregator). It is expected that the remaining 9.90 percent interest in OHCP Holdco will be held collectively by other entities and individuals, including members of TVC management and other existing interest holders.

Applicants state that, post-closing, OHCP will be predominantly (more than 90%) owned indirectly by private equity funds formed in the Cayman Islands for investment purposes, specifically: Oak Hill Capital Partners IV (Management), L.P. (6.99%); Oak Hill Capital Partners IV (Onshore), L.P. (62.07%); Oak Hill Capital Partners IV (Onshore Tax Exempt), L.P. (0.72%); Oak Hill Capital Partners IV (Offshore), L.P. (16.76%); and Oak Hill Capital Partners IV (Offshore 892), L.P. (3.55%) (collectively, the "Oak Hill IV Funds").

According to the Application, the equity in the Oak Hill IV Funds is primarily held in the form of limited partnership interests held by numerous, primarily U.S.-based investors. Based on current investment percentages, the following limited partners of the Oak Hill IV Funds will own or control a ten percent or greater equity interest (but no voting interest) in OHCP through their investments in one or more of these funds:

FW Oak Hill Limited IV, L.P. (14.11%) (a Delaware entity that is ultimately wholly owned and controlled by Jay H. Hebert, a U.S. citizen, through two holding companies organized in Delaware, FW Oak Hill Limited Genpar IV, LLC and its sole member, FW GP Holdco, LLC; and Ohio Public Employees Retirement Systems (17.64%).

Control of the Oak Hill IV Funds and, in turn, of OHCP, is vested in the funds' general partner, OHCP GenPar IV, L.P. (OHCP GenPar), a Cayman Islands entity. The general partner of OHCP GenPar is OHCP MGP IV, Ltd. (OHCP MGP IV), which is also organized in the Cayman Islands. OHCP GenPar and OHCP MGP IV will each hold indirectly a less than one percent equity interest in OHCP. Applicants state that the voting members of OHCP MGP IV are all U.S. citizens that, as members of the "Investment Committee," exercise oversight and control of the Oak Hill IV Funds. The shares in OHCP MGP IV are distributed equally among the thirteen members of the Investment Committee.

According to the Applicants, the final ownership structure of OHCP is not fully established, and there may be one or more additional intervening wholly-owned holding companies inserted above OHCP in the vertical ownership chain prior to closing. OHCP and TVC request authorization for the addition of one or more intervening wholly owned holding company(ies) prior to, or concurrently with, closing. OHCP and TVC state that they will notify the Commission of the final ownership structure immediately following closing in the event any such additional holding companies are inserted. Further, because the Oak Hill IV Funds have not closed and additional investors could still participate, and because the equity and voting interests of other investors (currently under 10% collectively) have not been finalized, the respective ownership percentages disclosed in the Application may change. Applicants state that they will update the Application if any new investment or change in ownership percentages causes an entity or individual not already disclosed in the Application to obtain a 10 percent or greater direct or indirect interest in OHCP.

CORRECTIONS

On August 18, 2016, the International Bureau provided public notice of the grant of a petition for declaratory ruling filed by Limitless Mobile, LLC and its 100 percent parent company, Limitless Mobile Holdings, LLC. International Authorizations Granted, ISP-PDR-20140716-00009, Public Notice, DA 16-939 (IB rel. Aug. 18, 2016). That grant incorrectly identified Mr. Croal as James Edward Croal. His correct name is Edwards James Croal. Consequently, the grant is corrected to read as follows:

ISP-PDR-20140716-00009 Limitless Mobile, LLC
Petition for Declaratory Ruling
Grant of Authority

Limitless Mobile, LLC (Limitless) and its 100 percent parent company, Limitless Mobile Holdings, LLC (LMH) (together, Petitioners) have filed a petition for declaratory ruling (Petition), as modified on July 30, 2015, pursuant to section 1.990(a)(1) of the Commission's rules, 47 CFR § 1.990(a)(1), that the public interest would be served by allowing foreign ownership of Limitless to exceed the 25 percent benchmark in section 310(b)(4) of the Communications Act of 1934, as amended (the "Act"), 47 U.S.C. § 310(b)(4). Petitioners state that Limitless holds Personal Communications Service (PCS) licenses in several markets in the northeastern U.S. It also holds numerous private microwave licenses. Limitless is a member managed Delaware limited liability company whose sole member is LMH, also a Delaware limited liability company.

According to the Petition, LMH is owned by more than a dozen investors and is controlled by an investor group comprised of LMH's principal equity investors, each of which is a U.S. citizen: Richard B. Worley (25.22% equity and 25.52% voting interests, including fractional interests held by his wife (approximately 1%) and by two family trusts (each less than 2%) of which Mr. Worley serves as trustee); Sarah Miller Coulson (18.98% equity and 19.07% voting interests); and Peter Morse (11.07% equity and 11.44% voting interests, including the interest held by the Morse Charitable Foundation, Inc. (less than 1%) of which Mr. Morse serves as a director and officer).

Pursuant to section 1.991(i) of the rules, Petitioners request that the Commission specifically approve the uninsulated membership interests held by two non-U.S. citizens: Atte Miettinen, a citizen of Finland (0.430% equity and 0.452% voting interests), and Edward James Croal, a U.K. citizen (0.289% equity and 0.141% voting interests). Messrs. Miettinen and Croal serve as LMH's Chief Executive Officer and Chief Technology Officer, respectively. As such, their membership interests are not insulated within the meaning of section 1.993 of the Commission's rules and thus require specific approval under section 1.991(i). (See also 47 CFR § 1.992(b)(2)(ii)(A).) Petitioners state that aggregate foreign ownership of LMH at present is otherwise below the 25 percent amount specified in section 310(b)(4) (2.603% equity and 0.593% voting interests).

Pursuant to section 1.991(k) of the rules, Petitioners additionally seek advance approval for Messrs. Miettinen and Croal to hold, individually and in the aggregate, up to and including ten percent of the equity and/or voting interests in LMH to account for fluctuations in ownership percentages as a result of future capital calls and to account for any additional membership units that may be issued to Mr. Miettinen in the future.

Pursuant to the rules and policies established by the Commission's Foreign Ownership Second Report and Order, we find that the public interest would not be served by prohibiting foreign ownership of LMH, as the controlling U.S. parent of Limitless, in excess of the 25 percent benchmark in section 310(b)(4) of the Act. Specifically, this ruling permits the uninsulated membership interests held by Atte Miettinen (0.430% equity and 0.452% voting interests) and Edward James Croal (0.289% equity and 0.141% voting interests) in LMH. In addition, this ruling specifically permits Messrs. Miettinen and Croal to hold, individually and in the aggregate, up to and including ten percent of the equity and/or voting interests in LMH.

The Petitioners have an affirmative duty to monitor their foreign equity and voting interests, calculate these interests consistent with the standards and criteria set forth in sections 1.992 through 1.993 of the Commission's rules, 47 CFR §§ 1.992-1.993, and otherwise ensure continuing compliance with this ruling and the provisions of section 310(b) of the Act.

Grant of this declaratory ruling is without prejudice to the Commission's action on any other related pending application(s).
