Interested parties unable to travel to O‘ahu may participate via video conference facilities available at County Emergency Operating Centers (EOCs) and, if possible, State video conferencing centers (VCCs) located on neighbor islands. Participating EOCs are located at:

City and County of Honolulu DEM, Frank F. Fasi Building, 650 South King Street, Honolulu  
Hawaii County Civil Defense, 920 Ululani Street, Hilo  
Kaua‘i County Civil Defense, 3990 Kaana Street, Lihue; and  
Maui County Civil Defense, 200 South High Street, Wailuku.

Individuals requiring access to an EOC should contact that EOC prior to the meeting as access is determined by the controlling agency/entity.

The Region 11 (Hawaii) 700 MHz Public Safety Planning Committee is open to the public. All eligible public safety providers whose sole purpose or principal purpose is to protect the safety of life, health, or property in Region 11 will utilize these frequencies. It is important that public safety agencies/entities in all areas of government, including state, municipality, county, and Native American Tribal, and non-governmental organizations eligible under Section 90.523 of the Federal Communications Commission Rules, 47 C.F.R. Section 90.523, be represented in order to ensure each agency/entity future spectrum needs are considered in the allocation.

Interested parties wishing to participate in the planning for use of the public safety spectrum in the 700 MHz band in Region 11 are encouraged to attend. For further information regarding Region 11 meetings please contact either of the following individuals and copy the SWIC:
