**Nature of Service:** Earth Exploration Satellite Service

On November 9, 2016, the Satellite Division granted the request of DG Consents Sub, Inc. to extend the launch and operation milestone deadline for the WorldView-4 space station from November 10, 2016, to November 24, 2016. The request was based on unforeseen circumstances beyond the control of DG Consents that postponed several planned launches of WorldView 4 prior to November 10, 2016, including technical problems with the launch vehicle and wildfires near the launch site.
