MEMORANDUM OPINION AND ORDER

Adopted: March 18, 2016

Released: March 18, 2016

By the Chief, Media Bureau:

1. This Order dismisses a number of pending petitions¹ requesting waiver of Section 76.1204(a)(1) of the Commission’s rules,² which had prohibited placing into service new set-top boxes with integrated security.

2. The second sentence of Section 76.1204(a)(1), called the integration ban, was terminated by Section 106 of the Satellite Television Extension and Localism Reauthorization Act of 2014, effective December 4, 2015.³ Given the termination of this prohibition, we find that all the requests for waiver of this rule are now moot.

3. Accordingly, **IT IS ORDERED** that the Requests for Waiver of Section 47 C.F.R. §76.1204(a)(1) of the Commission’s rules by the entities listed on the attached Appendix **ARE DISMISSED AS MOOT** and MB Docket Nos. 12-242 and 14-42 **ARE TERMINATED**.

4. This action is taken pursuant to authority delegated by Section 0.283 of the Commission’s rules, 47 C.F.R. § 0.283.

FEDERAL COMMUNICATIONS COMMISSION

William T. Lake
Chief, Media Bureau

¹ See Appendix.

² 47 C.F.R. § 76.1204(a)(1). (“Commencing on July 1, 2007, no multichannel video programming distributor subject to this section shall place in service new navigation devices for sale, lease, or use that perform both conditional access and other functions in a single integrated device.”).

³ Pub. L. No. 113-200, § 106, 128 Stat. 2059 (2014).
