**NOTICE OF APPARENT LIABILITY FOR FORFEITURE**

**Adopted: May 11, 2016**

By the Chief, Video Division, Media Bureau

**I. INTRODUCTION**

1. In this *Notice of Apparent Liability for Forfeiture* (NAL) issued pursuant to Section 503(b) of the Communications Act of 1934, as amended, (Act) and Section 1.80 of the Commission’s Rules (Rules),<sup>1</sup> we find that WYDC, Inc. (Licensee), licensee of Station WYDC(TV), Corning, New York (Station), apparently willfully and/or repeatedly violated Section 73.3526(e)(11)(iii) of the Rules<sup>2</sup> by failing to file with the Commission in a timely manner its Children’s Television Programming Reports for three (3) quarters. Based upon our review of the facts and circumstances, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of three thousand dollars (\$3,000).

**II. BACKGROUND**

2. Section 73.3526 of the Rules requires each commercial broadcast licensee to maintain a public inspection file containing specific types of information related to station operations.<sup>3</sup> As set forth in subsection 73.3526(e)(11)(iii), each commercial television licensee is required to prepare and place in its public inspection file a Children’s Television Programming Report (FCC Form 398) for each calendar quarter reflecting, *inter alia*, the efforts that it made during that quarter to serve the educational and informational needs of children. Licensees must file the reports with the Commission and place them in their public file by the tenth day of the succeeding calendar quarter.<sup>4</sup> That subsection also requires that Licensee’s publicize the existence and location of the reports.<sup>5</sup>

3. On January 30, 2015, the Licensee filed its license renewal application (FCC Form 303-S) for the Station.<sup>6</sup> The Station disclosed in its application that it failed to file in a timely manner

<sup>3</sup> See generally, 47 C.F.R. § 73.3526.

<sup>4</sup> Starting March 31, 2016, broadcasters were required to file their quarterly Children’s Television Programming Reports using the Commission’s Licensing and Management System (LMS). See *All Children’s Television Programming Reports Must Be Filed Using the Commission’s Licensing and Management System*, Public Notice, 31 FCC Rcd 1104 (MB 2016). Prior to that date, all quarterly Children’s Television Programming Reports were filed using the Commission’s KidVid Online Filing System.

Children's Television Programming Reports for three (3) quarters.<sup>7</sup> The Licensee argues that the late filings were all caused by "technical difficulties in uploading the reports to the Commission's website, which [] were solely the fault of the Commission's server."<sup>8</sup> The Licensee goes on the state that it has implemented new processes to ensure that all reports are posted to the Station's public file in a timely manner.<sup>9</sup>

### III. DISCUSSION

4. The Licensee's failure to electronically file with the Commission in a timely manner the Station's Children's Television Programming Reports for three (3) quarters constitutes an apparent willful and/or repeated violation of Section 73.3526(e)(11)(iii) of the Rules.<sup>10</sup> The Licensee contends that the reports were filed late as the result of difficulties involving the Commission's computer servers. The Division is unaware of any server issues during the quarters at issue that would have prevented the Licensee from timely filing the reports. Furthermore, the Licensee does not provide any evidence in support of its claim. Although the Licensee has taken steps to prevent future violations of a similar nature, this does not relieve the Station from liability for violations that have already occurred.<sup>11</sup>

5. This *NAL* is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, any person who is determined by the Commission to have willfully or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.<sup>12</sup> Section 312(f)(1) of the Act defines willful as "the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate" the law.<sup>13</sup> The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,<sup>14</sup> and the Commission has so interpreted the term in the Section 503(b) context.<sup>15</sup> Section 312(f)(2) of the Act provides that "[t]he term 'repeated,' when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day."<sup>16</sup>

6. The Commission's *Forfeiture Policy Statement* and the note to Section 1.80(b)(8) of the Rules establishes a base forfeiture amount of \$3,000 for failure to file a required form or information.<sup>17</sup> In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in Section 503(b)(2)(E) of the Act, including "the nature,

<sup>7</sup> According to the Licensee and as verified by staff, the Children's Television Programming Reports for the following three quarters were filed late: (1) first quarter 2012 (months late); (2) first quarter 2013 (months late); (3) third quarter 2013 (months late). circumstances, extent, and gravity of the violation and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.”<sup>18</sup> Based on our review of the facts and circumstances before us, we find that the Licensee failed to file its Children’s Television Programming Reports in a timely manner for three (3) quarters. Accordingly, we find that the Licensee is apparently liable in the amount of three thousand dollars (\$3,000) for its apparent willful and/or repeated violations of Section 73.3526(e)(11)(iii) of the Rules.<sup>19</sup>

7. We also find, pursuant to Section 309(k) of the Act,<sup>20</sup> that the Licensee’s apparent violation does not constitute a “serious violation” warranting designation for evidentiary hearing. Moreover, we find no evidence that the violations, when considered together, evidence a pattern of abuse. Further, we find that the Station has served the public interest, convenience, and necessity during the subject license term.
