CONSUMER AND GOVERNMENTAL AFFAIRS BUREAU ANNOUNCES 2016-2017 ALLOCATIONS FOR THE NATIONAL DEAF-BLIND EQUIPMENT DISTRIBUTION PROGRAM

Washington, D.C. – The Consumer and Governmental Affairs Bureau (CGB or Bureau) of the Federal Communications Commission (FCC) announces the funding allocations for the National Deaf-Blind Equipment Distribution Program (NDBEDP), also called “iCanConnect,” for the 2016-2017 fund year.

The NDBEDP is a program mandated by section 105 of the Twenty-First Century Communications and Video Accessibility Act (CVAA) that provides funding of up to \$10 million annually for the distribution of communications equipment to low-income individuals who are deaf-blind.¹ In 2011, the Commission established the framework for a pilot program to fulfill this CVAA mandate.² The Bureau launched the NDBEDP pilot program on July 1, 2012.³ At present, there are 53 entities certified by the Commission to participate in the NDBEDP – one entity to distribute communications equipment in each state, plus the District of Columbia, Puerto Rico, and the U.S. Virgin Islands.⁴

¹ Pub. L. 111-260, 124 Stat. 2751 (2010); *see also* Pub. L. 111-265, 124 Stat. 2795 (2010) (providing technical corrections to the CVAA). Section 105 of the CVAA adds Section 719 to the Communications Act of 1934, as amended, and is codified at 47 U.S.C. § 620. The CVAA allows the Commission to allocate these funds from the Interstate Telecommunications Relay Service Fund (TRS Fund).

The NDBEDP pilot program was established to run for two years, with an option for the Commission to extend it for another year. *Id.*, 26 FCC Rcd at 5649, para. 22. In 2014, the Bureau extended the pilot program for a third year. *See Implementation of the Twenty-First Century Communications and Video Accessibility Act of 2010, Section 105, Relay Services for Deaf-Blind Individuals*, Public Notice, 29 FCC Rcd 1234 (CGB 2014). In 2015, the Commission extended the pilot program for an additional year, until June 30, 2016. *See Implementation of the Twenty-First Century Communications and Video Accessibility Act of 2010, Section 105, Relay Services for Deaf-Blind Individuals*, Order, 30 FCC Rcd 5247 (2015). In 2016, the Commission extended the pilot program for an additional year, until June 30, 2017. *See Implementation of the Twenty-First Century Communications and Video Accessibility Act of 2010, Section 105, Relay Services for Deaf-Blind Individuals*, Order, FCC 16-69 (rel. May 27, 2016).

⁴ A full list of the entities currently certified to participate in the NDBEDP is provided below. Contact information for these entities is available at <http://www.icanconnect.org/state-partners>.

For each year of the pilot program, the Commission sets aside \$500,000 of the \$10 million annually allocated for the NDBEDP for national outreach efforts.⁵ The remaining \$9.5 million of annual funding is used to reimburse NDBEDP certified programs for the reasonable costs of operating their programs in compliance with the Commission's NDBEDP rules.⁶ Funding allocations for each year of the pilot program have been calculated by allocating a minimum base amount of \$50,000 for each jurisdiction plus a portion of the remaining available funding in an amount proportionate to the population of each jurisdiction.⁷ Allocations for the upcoming 2016-2017 fund year have been calculated by using the same formula, using the most current census population estimates. These allocations are as follows:⁸
