ACQUISITION OF CERTAIN ASSETS OF TELECOM NORTH AMERICA INC.
BY G3 TELECOM USA, INC.**

WC Docket No. 16-1

On January 8, 2016, the Bureau released a Public Notice requesting comment on the Application.⁵ On January 21, 2016, the U.S. Department of Justice, with the concurrence of the U.S. Department of Defense and the U.S. Department of Homeland Security (collectively, the Agencies), filed a letter requesting that the Commission defer action on this proceeding while the Agencies completed their review of any national security, law enforcement, and public safety issues.⁶ We deferred action in response to the Agencies' request.⁷ On March 28, 2017, the Agencies notified the Bureau that they

withdraw their request to defer action.⁸ They state that, based on the information provided to them by the Applicants and their analysis of potential national security, law enforcement, and public safety issues, they have no objection to the Application.⁹

The Bureau finds, upon consideration of the record, that grant of the Application will serve the public interest, convenience, and necessity. Upon consummation of the transaction, the resulting entity will have a market share in the U.S. interstate interexchange market of less than 10 percent, and will provide competitive telephone exchange services or exchange access services exclusively in geographic areas served by a dominant local exchange carrier that is not a party to the transaction. In addition, no party to the transaction is dominant with respect to any domestic service.¹⁰ Pursuant to section 1.103 of the Commission's rules, 47 CFR § 1.103, the grant is effective upon release of this Public Notice. Petitions for reconsideration under section 1.106 or applications for review under section 1.115 of the Commission's rules, 47 CFR §§ 1.106, 1.115, may be filed within 30 days of the date of this Public Notice.
